Canadian Boy Scout & Girl Guide Philatelic Catalog

Acknowledgements

A Catalog of this size cannot be assembled by one person. It takes a number of interested people to help build up the wide range of material that might go into the Catalog. My grateful thanks go to the following for their supply of images, their publishing advice, the creation of the Index and for proofreading the document:

Ben Adams, Bill Bartlet, David Bartlet, Lawrence Clay, Hazel Elmslie, Michael Feigenbaum, Randall Frank, Robert Gelwicks, Alex Hadden, Charleen Howatt, Frank Jaroslaw, Darius Liutikas, Jack Lyons, Frederick Oppliger, John Robertson, Tony Roberts, Jay Rogers and Bob Thorne.

Introduction

Over the years I have received many “prompts” to create a Catalog like this. I always deferred to “maybe next year” but never got around to it because it seemed like such a massive job. Two things in 2007 finally gave me the incentive. One was the publishing of Jay Rogers’ “*Levy’s Boy & Girl Scout Cachet Covers of the United States*”. I (or actually, the ones who kept prompting me) now had a precedent. The second impetus was the 100th Anniversary of Scouting. This would be my own Centenary project. Once I got started, and with the help of the people listed above, I found that it really started to flow quite nicely and my level of excitement and sense of accomplishment far out-weighed the work involved.

This Catalog is arranged into the categories of Stamps, Picture Postage, Cancells and Cachets. Within each category the material is sorted chronologically to assist in finding a particular item. The Cachet/Cover section includes over 2000 images. All of these images are scaled at 55% of their size. Thus, to find the actual size of any cover, multiply it by 1.82 (=100/55).

I have used the same cover description format as Jay Rogers used in his Catalog. The Catalog number and cover name are in **Bold** print, with the first two digits of the number representing the year, and the other digits, the sequential number within that year (eg **73-11**). If a cover is a First Day Cover, **FD** is added to the number (eg **73FD-12**). If variations exist, lower case letters are added (eg **73-13a**). Following this, Dates, Location, Printing method, Colors and other information are listed.

The Canada Post current designation of two-letter abbreviations for provinces and territories have been used in this Catalog. Thus, although a cover, for example, was issued in Quebec in 1965 with “PQ” to represent Province of Quebec, the item description will use “QC”. The designations are:

BC	British Columbia	NS	Nova Scotia
AB	Alberta	PE	Prince Edward Island
SK	Saskatchewan	NL	Newfoundland & Labrador
MB	Manitoba	NT	Northwest Territories
ON	Ontario	NU	Nunavut
QC	Quebec	YT	Yukon
NB	New Brunswick		

Canadian Boy Scout & Girl Guide Philatelic Catalog

There were many options open as to what to include or not include. Thus, I set out a number of guidelines to follow in creating the Catalog. Please note that they are guidelines and not hard-and-fast rules. As the Catalog compiler, I reserved the right to make some exceptions if I felt they added value to the Catalog.

Many cachets appear with multiple dates or locations, various rubber stamp cancels, or a variety of seals/labels applied. No attempt has been made to catalog the potentially large combination of these. The key focus is the **Cachet**. If a particular cachet appears many times with different combinations of these, I show the one with the maximum number, just so you know they exist.

Postcards are included, particularly if they are for a Scouting or Guiding event. Sometimes they appear as mint, not postally-used, but I still include them because maybe someone, somewhere, sent one through the mail. In most cases, the reverse side of the postcard is also shown.

Letterhead or “corner card” stationery business envelopes are not included unless some additional image has been added to advertise an event. However, Appendix 1 illustrates a number of early examples of these envelopes.

No attempt has been made to indicate a value for each cover. Currently, the majority can be found for \$4 to \$7 each, but EBay, although sometimes a bit more expensive, appears to be a good source for keeping up-to-date on current prices.

Numerous sidebars are inserted to tell the “rest of the story” and to add interest to the Catalog. The Appendix contains a variety of related topics for your use and knowledge, including a Glossary, a list of Jamborees in Canada, a Checklist and an Index.

This Catalog, with its vast scope of material, is not meant to imply that you should set out to collect everything that is listed. No one person can ever hope to do that. It also does not intend to tell you what to collect. Rather, it allows you to see what might possibly be available. Maybe you might want to collect a sub-topic like Canadian Jamborees (CJs), or Provincial Jamborees. The Catalog will assist you to identify those covers which may be available in whichever area you may wish to focus on.

Nor does it imply that the Catalog is complete. There are, undoubtedly, many covers of which the author is unaware. Every time I received a batch of scans for the Catalog there were always some I had never seen before. If you identify one that is not listed in the Catalog, I would be pleased to receive a scan or photocopy of it ... just as I’m sure you would be pleased to find out that you possess such a unique cover!

As you go through stamp dealers’ stocks of covers, or check out what is available on EBay, or trade with fellow collectors, I wish you all the best and “Good Hunting”!

NOTE: SOSSI member, Charles Schafstall, has documented an international Catalog of Scout and Guide Meter slogans. The 48 page Canadian section (Kanada) can be found on the SOSSI web site, [sossi.org](https://www.sossi.org/catalog/meterslogans2022.pdf), at this address: <https://www.sossi.org/catalog/meterslogans2022.pdf>

Canadian Boy Scout & Girl Guide Philatelic Catalog

Preface to Version 2 – March 2015

Since the publication of Version 1 in May 2008, many additions and corrections have been forwarded for inclusion in an updated version. These have now been incorporated into this version, with thanks to the many contributors. As well, there have been additional philatelic items issued in the intervening years, 2008 to 2014, which have also been added. Finally, a number of additional Canadian Scout covers were identified in the book “**Ukrainian Scouting Plast Postal Issues & Badges**” when it was published in 2012. Thanks therefore go to the author, **Frank Jaroslaw Fursenko**, for making us aware of these many issues in such a complete historical document. Although new numbers have been assigned to these additions, the numbers of all the ones in Version 1 have remained the same. Also, as scouting enters its second century it becomes necessary to change the numbering scheme starting with 2008, to a full year designation (e.g. **2010-1**) to differentiate it from a cover such as **10-1** from 1910, for example.

Preface to Version 2.1 – November 2016

Once again, friends have sent me a number of scans of covers which were not in the Catalog. It is amazing what material can suddenly turn up 50 or more years after the event. These have now been incorporated into the Catalog, along with new issues from 2015 and 2016. As well, I have taken the opportunity in this release to reorganize some of the sidebar material in the sections for both the 8th World Jamboree in 1955, and the 15th World Jamboree in 1983. For example, topics such as Registration information or Postage Due examples are now pulled together in one location. Finally, I have done a major re-organization of Appendix 1, Boy Scout Message envelopes. Before, newly found examples were just added to the end. Now the section is sorted alphabetically by city, and then by date within a city. A new Catalog numbering system was then created for this section. In addition, many more examples were added, growing the number of pages from 13 to 36. The Index and Checklist have been updated to reflect all of the above additions and changes.

Preface to Version 3 – March 2019

This version brings the Catalog up-to-date through to 2018. In particular, it covers the philately of the latest Canadian Jamboree, CJ'17, including Picture Postage, cancels and cachets. As well, numerous additions have been made to the Boy Scout Message appendix. I also had the good fortune of obtaining the book “**Scouting in the Baltic Countries. A History in Philately**” by **Darius Liutikas** of Lithuania. It had numerous Canadian covers for Scouts in Exile from Estonia, Latvia & Lithuania, which were not in this Catalog. My thanks go to Darius for giving permission to use those illustrations in this Catalog.

Preface to Version 4 – June 2021

This version adds images of cancels, Picture Postage and covers issued since early 2019. As well, some older covers have been added to the Catalog, thanks to many friends who have sent images to me of new finds. The Index and Checklist have been update with this new material.

Perforation Errors

Since the middle example was from the bottom two rows of the sheet, the bottom stamp appears imperforate, even though the shift was only 3 mm.

Private Perfins

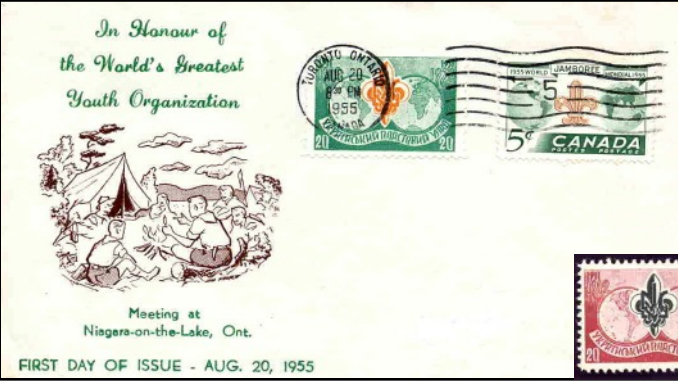

Some companies perforate their stamps to discourage private use of them by employees. Two examples of this are show below: BT - Bell Telephone and CNR - Canadian National Railways. Many others exist on the Scout stamp including New York Life, Canadian General Electric, and William Wrigley.

A mis-perf made it through commercial mail from Lethbridge, AB postmarked Dec 13, 1955 to Hardieville, AB postmarked Dec 14, 1955. ✓

See cover 55FD-42.1 for use of Bulletin as a First Day Cover

Laurence Hyde, the stamp designer, once commented on the difficulty in developing a new design since so many countries had already used Scouting symbols in previous designs. In fact, the Canadian stamp design was very similar to that of the Scouts seals issued by the Ukrainian Plast (Scout group) three years earlier, in 1952. Their set of five seals commemorated their 40th Anniversary, with their Scout emblem between two globes. This similarity was highlighted in a first day cover from Toronto on August 20, 1955 with both the stamp and one of the five seals, side by side.

*Golden Anniversary of the
CANADIAN GIRL GUIDES*

A special issue postage stamp has been designed to commemorate the Golden Jubilee of the Girl Guides movement in Canada.

The Girl Guides Association was established in 1909 in Great Britain by Lord Baden-Powell. Within a year guiding was established in Canada, the first Company being formed in St. Catharines, Ontario.

In a short time other companies of Guides were in operation. As the opportunities for training and development of girls offered by the organization were recognized, the Association spread through the Provinces. In 1912 a Dominion Council was set up and five years later the Canadian Council of the Girl Guides Association was incorporated.

Canada now has the third largest Guide membership in the world, being exceeded only by Great Britain and the United States. Another feature of the Canadian Guides is that they have the most northerly Company in the world. The Aklavik group was founded in 1937 and was the first of the far north groups, some of which have Eskimo members.

The ideals of good citizenship and the establishment and maintenance of friendly international relations promoted by the Guides have been emphasized at three national and one world camp held in Canada. The first national camp was at Victoria in 1928, and the second at Rothesay, N.B. in 1939. In 1952 Canadian Guides and their guests from countries of the Western Hemisphere enjoyed camping together at Ottawa.

One of the four world camps in celebration of the centenary of the birth of Lord Baden-Powell was held in Canada in 1957 at Doe Lake, Ont., with representatives of many countries among those in attendance.

An interesting link between the Girl Guides and the Canada Post Office is the postal badge earned by Guides who demonstrate a knowledge of good mailing practices. The Guides' co-operation is mutually advantageous as proper addressing and packaging of mail matter permits prompt and efficient handling by the Post Office.

The Girl Guides commemorative postage stamp is a tribute to all who have encouraged and assisted the Association and to the generations of Canadian girls who have benefited from its character building activities.

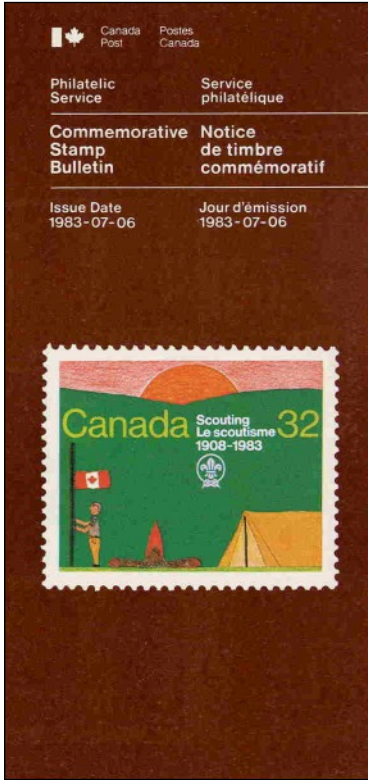

Issued by Authority of the
HON. WILLIAM HAMILTON, M.P.
Postmaster General

Post Office Announcement Bulletins And Canada Post Official FDCs

Boy Scouts 15th World Jamboree

(Jul 6, 1983)

Missing red color on this Dec 12, 1983 cover, confirmed genuine by The American Philatelic Exporting Service.

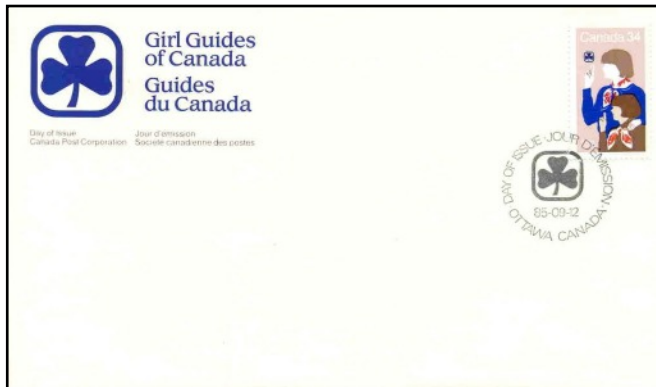

The FDC example above was autographed by:
6 year old Beaver, Michael Timms - designer of the cachet
12 year old Scout, Marc Fournier - designer of the stamp

As a result of the "What Scouting Means To Me" poster contest, the entry of Marc Fournier, aged 12, a Scout in Edmundston, New Brunswick, was selected for the stamp design. The poster entry of six-year-old Michael Timms, a Beaver from Delta, British Columbia, was chosen for the cachet design.

À la suite des résultats du concours d'affiches *L'image que je me fais du scoutisme*, la soumission d'un scout d'Edmundston âgé de 12 ans, Marc Fournier, a été retenue pour la conception du timbre. Celle de Michael Timms, 6 ans, un castor de Delta (Colombie-Britannique), a été choisie pour la conception du cachet.

Girl Guides 75th Anniversary (Sep 12, 1985)

The Girl Guide movement in Canada celebrates its 75th anniversary in 1985.

This worldwide organization is open to girls regardless of race, creed, or nationality. It has grown steadily since its beginnings in England in 1909. With over 275,000 members, the Girl Guide movement is the largest youth organization of its kind in Canada.

Le mouvement des Guides au Canada célèbre son 75^e anniversaire en 1985.

Cette organisation internationale est ouverte à toutes les jeunes filles sans distinction de race, de religion ou de nationalité. Elle s'est étendue sans cesse depuis sa fondation en 1909 en Grande-Bretagne et, avec ses 275 000 membres, elle représente en nombre la plus importante organisation du genre au Canada.

100 Years of Girl Guides (Jul 8, 2010)

In 1910, St. Catharines, Ontario became the home of the first Canadian Girl Guides unit. This stamp, recognizing their 100th Anniversary, was issued in conjunction with their camp **Guiding Mosaic 2010** held in Guelph, Ontario July 8-17, 2010. The official FDC thus has a Guelph, Ontario cancellation.

The two girls on the stamp are from the Diefenbaker Elementary School in East York (Toronto).

Molly Lewis
Brownie

Emma Luce
Girl Guide

The booklet folder contains ten self adhesive stamps, and ten self adhesive round labels depicting ten badges.

As well, between the booklet and the Official First Day Cover, all five levels of Guiding are shown: Sparks, Brownies, Guides, Pathfinders and Rangers.

Boy Scouts Recruiting

03/29/10 Hamilton, ON

On a multicolor postcard with a message printed in red.

This early postcard is from a Hamilton merchant, "The 2 T's, Trudell & Tobey". Tobey dates his message April 1, but the card is postmarked March 29, 1910. He chose to use a postcard with the word "Scouts" on it ... maybe well-intentioned, but it is really military scouts with rifles aimed, entitled "Scouts Kings Dragoon Guards". This connection to the military was common, with WWI on the horizon.

The Nonsuch Mfg. Co. Toronto

The Nonsuch Mfg. Co. was based in Toronto and produced items like stove polish, metal polish, enamel paste and shoe dressing, such as the above Black Cat Boy Scout Shoe Polish.

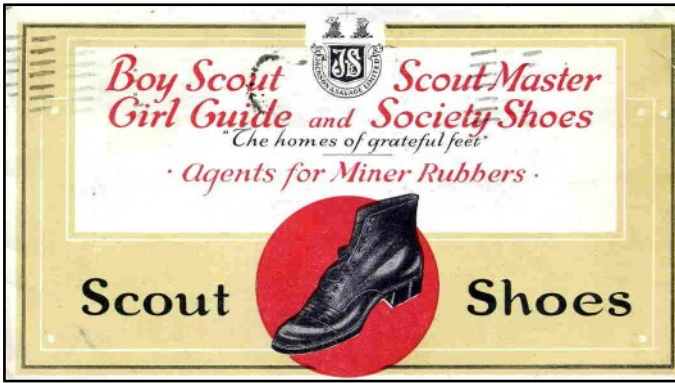

The word “Nonsuch” goes back as early as 1668 when England commissioned two ships (Eaglet and the Nonsuch) to explore possible trade into Hudson’s Bay. This opened up the way to Canada’s west through the fur trade.

England has had a number of ships called HMS Nonsuch, with one in World War II. Canada still maintains a Canadian Naval Reserve Division in Edmonton, Alberta called HMCS Nonsuch.

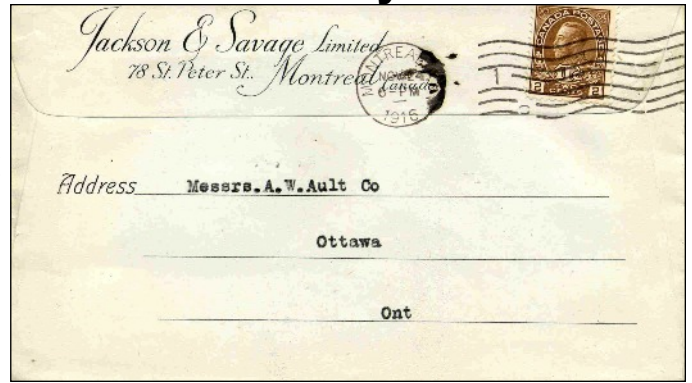

In 1968 Canada Post issued a stamp (Scott 482) of the Nonsuch sailboat to honor its 300 year Anniversary.

In 1890 Stephen Miner of Granby, QC formed a company called *Granby Rubber* making rubber boots and shoes. In 1900 it was bought by *Canadian Rubber Co.* In 1911 he then formed *Miner Rubbers*, but died the same year. His son, William, took over & successfully grew the business, employing over 1000 during World War One. The company ceased operations in 1982.

(With spelling error occasion vs. occasion)

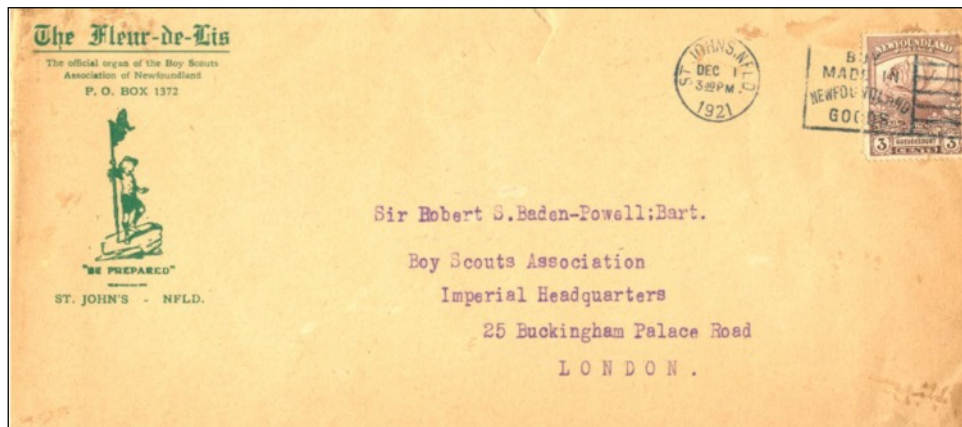

Lord Baden-Powell made five trips to Canada in his scouting role - 1910, 1912, 1919, 1923 and 1935. These cards are from his 1919 trip. Those trips were usually long and extensive. They didn't have the luxury of flying in and out over a couple of days. Thus, they typically went across a good part of the country. In this case, from St. John, NB on May 9 to Toronto, ON on May 27. A banquet for him was held the night before, on May 26.

For over three years SOSSI member Jack Lyons and his wife Marg Lyons, campaigned to have some recognition of Baden-Powell opening the CNE on August 10, 1910. This resulted in a Historical Plaque Dedication Ceremony at the CNE on August 30, 2010, exactly 100 years later to the day.

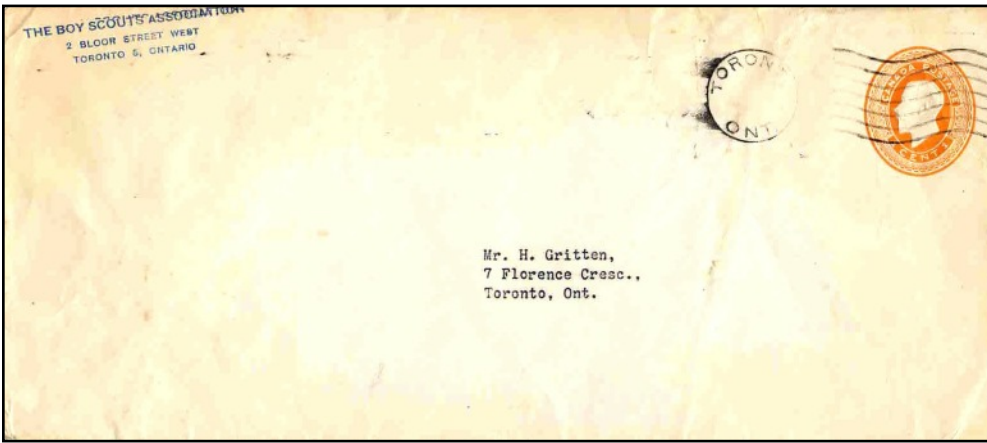

Jack & Marg Lyons with the Historical Plaque

The Globe was founded in Toronto in March 1844 by Mr. George Brown. Although these postcards are not dated, they are probably from the 1910 to 1920s period. The first *Boy Scout* column appeared in the Saturday October 1, 1910 issue. This was partly influenced by the very large amount of publicity given to Lord Baden-Powell's visit to Toronto only one month earlier to officially open the CNE (Canadian National Exhibition) on August 30, 1910. Over 2000 Boy Scouts from across Ontario were on hand for that event.

A large contingent of Scouts, Guides and leaders paraded through the CNE to the beat of the Toronto Police Band, to the Ceremony site. Some of the participants were dressed in early 1900's style scouting uniforms.

These postal envelopes were issued in 1923, and the rate increased to 2 cents in 1926. It appears that since both the Girl Guide and Boy Scout addresses are the same, they might have shared common facilities.

This is an old postcard of the “Van Horne Scout Hall”, home of the 1st St. Andrews Scout Troop. Van Horne was responsible for pushing the construction of the Canadian Pacific Railway out west. He also built the Chateau Frontenac Hotel in Quebec City, and the Chateau Lake Louise in Alberta. He had built a summer residence by St. Andrews, which is probably how the scout hall got its name.

The 1st Canadian Jamboree, CJ'49, was held in 1949 at the Connaught Ranges on the outskirts of Ottawa. It had an attendance of 2780 Scouts. The next two Canadian Jamborees, CJ'53 and CJ'61, were held in 1953 and 1961 in the same location. The Dominion of Canada Rifle Association (DCRA) was founded in 1868, and in 1921 moved to a new location, Connaught Ranges. They are still located there, along with a Canadian Army facility.

Other Black Sea Scout groups later appeared in Germany, Canada, U.S.A. and Australia. Numerous water camps and Grand Council events were held throughout Ontario from 1952 to 1955. In 1957 the rover scout group of the Black Sea scouts in Toronto operated four yachts (Vykhor, Hamalia, Kometa and Akula), two training vessels (Odesa and Krym) and a motorized boat (Lialia). There are also two separate female troops of sea scouts called **Black Sea Waves**.

Boy Scout Stamp FD - August 20, 1955 - 8th World Jamboree

The 8th World Jamboree was held on the outskirts of the small town of Niagara-On-The-Lake, Ontario August 18-28, 1955 with an attendance of over 11,000. Canada's Governor General Vincent Massey officially opened the Jamboree on August 20, at which time a 5 cent stamp was issued. Ottawa had an Official "Day of Issue" cancel, as it did for all stamps during that period. As well, there were two special Jamboree cancels as illustrated on Page 50-10. At least one of these three cancels has been found on the majority of the covers in this section, and all three have appeared on many of them.

- kneeling Scout doesn't have a branch in his right hand.
- the globes are better defined.
- there are no Jamboree dates along the bottom.

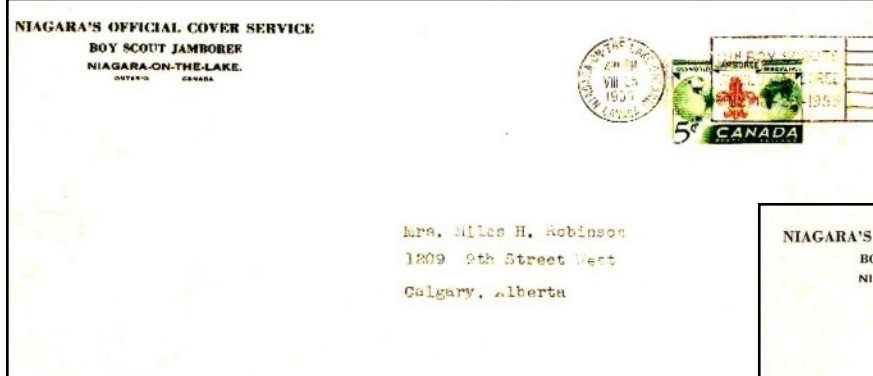

Niagara's Official Cover Service

In 1954 the Mayor and Council of the town of Niagara-On-The-Lake authorized Mr. Walter Theobald to develop an official cover from the town. The Boy Scouts Association in Ottawa approved the design in Feb. 1955, and 50,000 covers were printed - 12,500 in each of four colours. An insert was created with a map of the area on one side and a brief historical guide on the other.

The covers were sold for 5 cents unserviced or 15 cents serviced. The net proceeds of the sale (which was \$1,043.61) went to the Niagara Boy Scout Association Building Fund.

Walter Theobald was a member of Scouts on Stamps Society (SOSS) and was Chair of SOSS's 1st International Convention held at the Jamboree on August 21, 1955.

The second one is to Moose Jaw, SK with a Type 2 cancel on cover 55FD-4. The one to Illinois, USA has a Type 2 cancel on cover 55FD-56. They all show a penalty of twice the going rate of postage in the two countries.

The town of Niagara-On-The-Lake hosted a luncheon for Governor General Massey when he came to open the Jamboree on August 20, 1955. They created a souvenir card containing the menu of the luncheon. It had the same cachet from the Niagara Official Cover Service and some cards were cancelled with the Jamboree cancel.

Little is known about the Registration facilities at the 8th World Jamboree, and the very small number of Registered covers. The town Post Office was in walking distance from the Jamboree and provided Registration services. There was a temporary Jamboree Post Office which sold stamps and handled incoming and outgoing mail. They also provided Registration services.

Known Registration numbers of #468 (Aug 20), #13 (Aug 20), #'s 36, 37 & 39 (all Aug 24), #42 (Aug 24), #43 & #55 (Aug 27) exist in the few identified examples. As well, there were at least two Registration hand stamps. The bottom one has a definite slant inward on the right hand side as it goes from top to bottom. It is possible that the regular town Post Office continued their regular Registration number sequence (eg #468), and the Jamboree one started a new sequence progressing through #55. These covers passed through nearby St. Catharines, receiving a red oval cancel on the back.

The World Jamboree dates were August 18-28, 1955, and the special Jamboree cancellation was offered on all those dates (only). However, this postcard shows the Jamboree cancellation with a July 31, 1955 date, two weeks early.

The First Day of Issue of the Scout stamp was August 20, 1955. This cover has a "Barrel" postmark of August 19, 1955 from Fort William, Ontario. Also seen on Registered over with 19 August error date.

Other Cancellations/Hand stamps

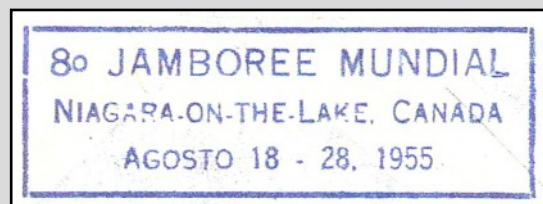

This first day cover from Perth, NB has a similar type of cancellation of “First Day of Issue”

This cancel states “British Mail Office / Night Staff / Aug 20 1955 / Toronto, Ont.”

The Boy Scout office in London, Ontario inserted the World Jamboree logo as an ad in their Pitney Bowes meter cancel machine number 241797. This one is dated 22 November, 1954. So far, it has not been identified on a cover or envelope.

The Cuban contingent brought along this Rubber hand stamp, using blue ink

This red Niagara-On-The-Lake cancel was normally applied to Post Office Money Orders and is often referred to as a “MOON” cancel for “Money Order Office Number”. It is dated Aug. 27, and has “Last Day Jamboree P.O.” typed within the cachet. For August 28, the last day of the Jamboree, the regular town Post Office handled all postal requirements.

This unofficial cancel has two dates - Aug 18 was the first day of the Jamboree, and Aug 21 was the date of SOSS’s 1st International Convention.

The Great Lakes Sub Camp had their own hand stamp in red ink. In this case, it was on cachet number 55FD-24. The Hudson Bay Sub Camp had their own cover - see cachet number 55FD-23.

Governor General Autographed Cover

 GOVERNOR GENERAL'S TRAIN
 CANADA

9th December, 1955.

Dear Mr. Rogers,

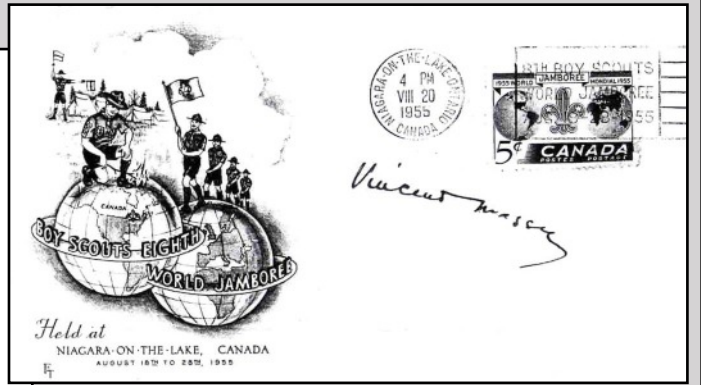

The Governor-General has asked me to thank you for your letter of the 17th November, and for the good wishes you sent him.

I am enclosing your Scout cover, which His Excellency has been happy to autograph as you requested.

Yours sincerely,

 Secretary to the Governor-General.

Milton Rogers, Esq.,
 Chairman,
 P-182, NYC,
 3280 Griswold Avenue,
 New York 65, N.Y.,
 U.S.A.

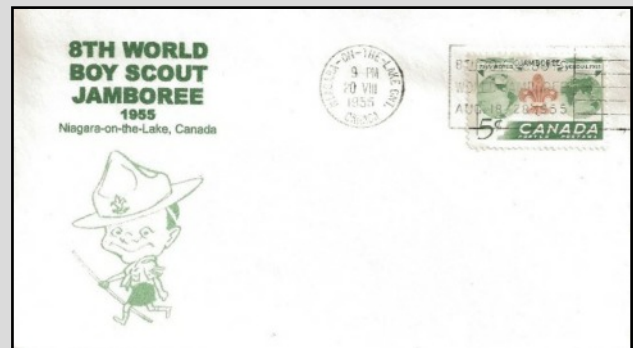

An enterprising SOSS member, Mr. Milton Rogers, took the initiative to write to Governor General Vincent Massey asking if he would autograph an enclosed FDC. He not only got the autograph, but a nice letter in return, on the *Governor General's Train* letterhead. It is signed by Lionel Massey, the Governor General's eldest son.

Vincent Massey was the first Canadian appointed as Governor General. He was Governor General from 1952 to 1959, and thus officially opened the 8th World Jamboree in 1955 as Canada's Chief Scout.

This cover has FD cancels of both the USA 1950 stamp and the Canada 1955 stamp.

Jamboree cartoon from the Vancouver Sun newspaper

This cartoon about the 8th World Jamboree at Niagara-On-The-Lake was created by Len Norris, a great editorial cartoonist for the Vancouver Sun newspaper. He worked for the Sun from 1950 to 1988 and drew a number of scouting cartoons. His favourite character was “Roger, the Ready Rover”. He liked to put all sorts of odd details in his cartoons, as evident in this one as seen by all the knives and hatchets hanging from the scouts’ belts.

Cover **55FD-4a** was the official cover of the Boy Scouts Association of Canada. It was designed by Laurence Hyde, who was also the designer of this 1955 Scout stamp.

The Seven-Up soft drink company purchased a large quantity of them and added an address on the front saying "A. Jamboree Scout, 8th World Jamboree, Niagara-On-The-Lake, Ontario". After adding a Seven-Up ad on the back, they donated this cover to all Jamboree attendees (Cover **55FD-4b**). All of these had a Type 2 (**CS55-2**) Jamboree cancel.

The above image was a draft of the cover offered by Canadian Scout HQs. By sending in 15 cents, HQs would place the new Scout stamp on it and mail it to the International Bureau as a fund raising project for their Stamp Scheme program.

The design of a Boy Scout appearing in a maple leaf was used in a fund raising campaign in 1951. The Scout is Patrol Leader William Hewson from the 38th Ottawa troop.

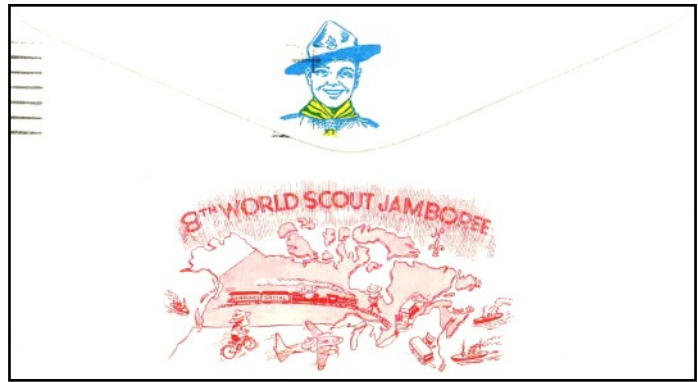

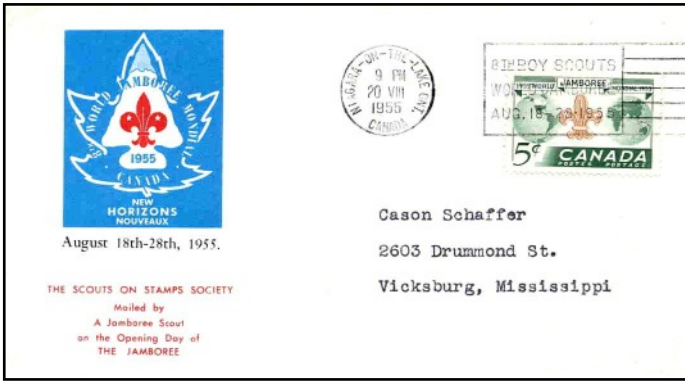

Insert

The Canadian Bank Note Company was the printer of the Scout stamp issued for the Jamboree. They donated 2500 of these covers to be given to all Scouters at the Jamboree as seen by the address they put on it. The word "Scouter" refers to all adult Scout leaders.

8TH WORLD JAMBOREE

You are cordially invited to join us in this International Hobby!

Yes, to fellow Scouts and Scouters in all the Scouting countries of the world, we are interested in extending this invitation to you.

Collecting and swapping Scout stamps, covers, seals, cancellations, and promoting good will has made this club an International Society of world brotherhood through the hobby of philately!

Thirty countries have already honored Scouting on their postage stamps because of national "Good Turns" and heroic deeds in times of national emergency. Scouts on Stamps Society through its monthly bulletin S.O.S. keeps you informed on this topical stamp collecting subject. Join Now!

Scouts on Stamps Society

The Scouts on Stamps Society was created in 1951 and thus, this was the first World Jamboree they attended as a Society and had a convention. It was a result of the success of this convention that they added "International" to the Society's name to form "SOSSI".

The Convention was held in the Town Hall (the old historic Court House) on Sunday, August 21, 1955. Attendance was 44 members and 65 guests. SOSS's President and Founder, Harry Thorsen led the meeting. Major General Dan Spry, Director of the International Scout Bureau in London and a SOSS member, was the guest speaker.

(SOSS Journal Oct. 1955)

This picture shows Harry Thorsen and Gen. Spry at the meeting. Two frames behind them show different designs for the stamp, including a 4 cent value one.

This cachet maker ("H & E") kept the same basic design format for Canadian stamp issues and just changed the wording and central picture from one issue to another. The stamp issued before the Scout stamp recognized Alberta and Saskatchewan Jubilees (1905 to 1955). When the Scout stamp was issued they forgot to change the "1905" to "1955". They later corrected it to "1955" and reprinted the cachet.

The "H&E Stamp Co." was formed in 1954 by Harold Crick and Earl Graziadei. Their first First Day Cover was for the Muskox stamp on April 4, 1955. Their last First Day Cover was for the World Figure Skating Championship stamp on March 1, 1972, after which they folded up their Company.

A Letter Home to Reading, England
(See cover 55FD-24 and sidebar)

This letter reads:

Tues. August 23rd, 1955

Dear Bob,

We are all having a terrific time here. Yesterday we went over to the United States. Tonight the United Kingdom Contingent is doing a display in the main arena.

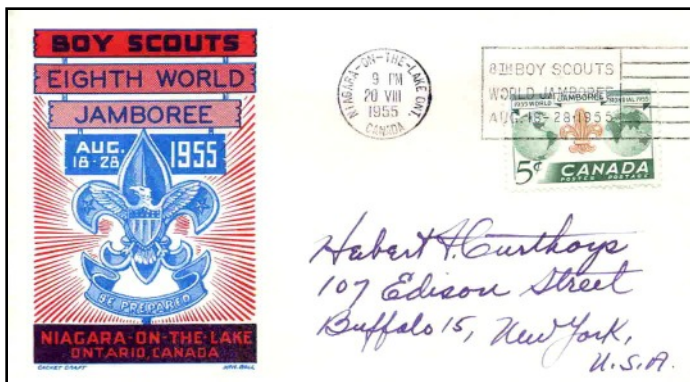

We arrived at Malton Airport, Toronto eight hours late. This was due to the fact that we flew via the Azores instead of by way of Shannon. For the first week I stayed with some people in Scarborough, a suburb of Toronto. While staying in Toronto we went on many tours to local factories and places of interest. The whole of the British Contingent assembled at the lakeside on Thursday morning and we went across to the camp-site on the SS Cayuga together with the Toronto and German Contingents.

The Jamboree was opened on Saturday in a temperature of 115°. On Sunday we paraded to Church through the crowded town.

Yours sincerely,
Peter

Boy Scout Stamp FD - August 20, 1955 - 8th World Jamboree

The London (Ontario) District used the Scout stamp as part of their fund-raising project for 1956. It was folded in half, with the picture of the boy on the front.

The name typed near the top is Dr. E.F. Lepine. He was a SOSS member from London, Ontario, who attended SOSS's 1st International Convention at the 8th World Jamboree.

..... The approval of Scouting in the past by
Dr. E. F. Lepine
 has been most sincerely appreciated

Twelve years ago we had 1,100 members. Today our total membership is over 3,400 which includes nearly 400 volunteer leaders who are giving thousands of hours of their time each year to help us. Scouting in the London District is serving more boys than all other boys' organizations combined.

Your donation to the Annual Boy Scout appeal for operating funds will support a programme to help boys help themselves. 1956 will be the greatest year in our history. We will need more help than ever before if we are to train new leaders and provide the opportunity for hundreds of boys who want to join.

As the need is greater, so we are hoping that some of our generous donors will find it possible not only to continue their past support, but to help us to an even greater extent.

Yours sincerely,

5¢ CANADA

The Stamp of Approval

This stamp was issued by the Canadian Government on August 20th, 1955, in honour of The Boy Scout Movement and on the occasion of the 8th World Jamboree at Niagara-on-the-Lake. Sixty-six Scouts from London District took part in this great adventure in World Brotherhood with 10,000 Scouts from 47 different countries.

Will you use this "Jamboree Stamp" to return your gift to Scouting in the enclosed envelope. Your donation is exempt from Federal tax and a receipt will be mailed to you.

A postcard was originally prepared for the 14th International Scout Conference held in Vaduz, Liechtenstein August 8 to 13, 1953. As well, a set of 4 stamps with Lord Baden-Powell were issued.

Two years later, as the Liechtenstein contingent left for the 8th World Jamboree, they had a number of these cards cancelled in Vaduz on August 2, 1955.

On August 26, 9500 Scouts from the Jamboree went to the Canadian National Exhibition in Toronto. It was there where Prince Emanuel of Liechtenstein autographed these postcards for the visiting Scouts.

Canada Post issued a high quality, glossy “News Release Publicity Photo” of the stamp for the media to use in their articles. SOSS President, Harry Thorsen, used this photo to create a cachet in blue on card stock. In this example “a” a rubber stamp in red for SOSS’s 1st International Convention was added. This cover is also autographed by Arthur McKinney, SOSS member # 2. He was SOSS President 1964-5, Director 1952-5, 57-59, & 66-68. He was also co-author of “Scouts On Stamps Of The World” A similar card was autographed by Harry D Thorsen Jr, Pres. S.O.S.S.

This cropped card is a variety of 55FD-56a. It was produced by and mailed to Edwin Emmerling of the Chicago area. He added a hand stamp in green of the BSA logo. Underneath that was another hand stamp in green saying “This is a Boy Scout Event Cancel”. It had a LL Plate Block (Plate 2-1) of four Jamboree stamps and a Type 2 Jamboree cancel, along with a Niagara-On-The-Lake circular cancel.

Canadian Scout & Guide Cachets - 1950s

The six cachets on this page were created by Mrs. Sophie Glazner, an early SOSSI member from the USA. For most of them, she cut out some cachets from the 1950 USA Scout stamp covers, and pasted them to an envelope. She then added some lettering in ink, and some hand colored outlines. It is likely that these are "one-of-a-kind".

For each of the five 1950 USA cachets, the "Levy Number" from the catalog "*Levy's Boy & Girl Scout Cachet Covers of the United States*" by Jay Rogers, has been indicated in the cover description.

Mr. Walter Theobald lived in Niagara-On-The-Lake at the time of the 8th World Jamboree and was also a Reeve of the Town of Niagara. He became an early SOSSI member (No. 191). For this reason, SOSSI President Harry Thorsen appointed him Chairman of the SOSSI Convention at the Jamboree. In 2014, Walter Theobald's son Roy, sold his father's collection of Jamboree items to a member of the Maple Leaf Chapter, SOSSI, unearthing many previously unknown covers shown on the next five pages.

At the bottom right of the cachet picture is "W. Theobald". Walter Theobald thus created this cachet.

It was based on this picture from a 1947 ad promoting the Brotherhood program. Walter then added the colors to the cachet.

As Chairman of the SOSSI Convention at the Jamboree, Walter Theobald met many well-known Scouting personalities, and had some autographed covers presented to him. Prince Emanuel of Liechtenstein gave him the card below, autographed on the front, with a nice message on the back. Lady Baden-Powell also autographed two covers for Walter, as shown below.

Walter Theobald was also instrumental in the creation, approval and production of the four Jamboree covers 55FD-1 a to d, as described on Page 50-6. The cards below, discovered in the 2014 collection, are the first time these have been identified. They have the same cachet as covers 55FD-1. However, they are printed on brown card stock instead of white envelopes. As well, instead of the fourth one being blue, it is printed in purple. The other three remain in the original colors - black, red and green.

This postcard was reproduced from a 1958 magazine with this caption:

Boot by a Brash Brownie

In Toronto young Brownies of the Girl Guides, the Canadian Girl Scouts, stood in parade formation with full-fledged Guides. They were gathered to award the Gold Cord, the Girl Guides highest honor, to a sister member, and Photographer Ron Laytner was there to record the event for the Toronto Evening Telegram, when this scene happened.

The "Scout" Mural at National Headquarters, Boy Scouts of Canada, Ottawa, by Artist Marcel Stary, Piedmont, Quebec, symbolizes Scouting "From Sea to Sea." With the "Cub" mural it forms a tribute to the 39 years' leadership given Scouting by the late Mr. Jackson Dodds, Montreal, former Deputy Chief Scout for Canada.

The "Cub" mural at the National Headquarters of Boy Scouts of Canada in Ottawa was painted by artist Marcel Stary of Piedmont, Quebec, a former Scout and Scout Leader from Czechoslovakia. The "Cub" mural depicts characters in Kipling's "Jungle Books" upon which the Wolf Cub programme is based.

Scouts on Stamps Society International

All stamp collectors, and in particular those who collect Scouts on stamps, will be interested to know that Mr. Willard Boyles, former Executive Secretary of Scouts On Stamps Society International, Shelby, Ohio, is visiting the Jamboree.

Willard Boyles has long been associated with the Scouts on Stamps Society and is an ardent promoter of this particular topical collection group. He has a very interesting story to tell and would be very pleased to meet any Jamboree Scouts who are stamp collectors or particularly interested in Scouts on stamps.

A very informal meeting of all those interested in stamp collecting, and Scouts on stamps in particular, will be held on Sunday, July 8th at 3.00 p.m. in the Boy Scouts International Bureau building (see map in A.B.C. and Diary). Come and see the stamp display and talk to fellow collectors.

While he will not be living at the Jamboree, residing at the Beacon Arms Hotel in Ottawa during the Jamboree, he can be contacted through the Jamboree daily newspaper or at the Beacon Arms Hotel, 88 Albert Street, CE 5-1413.

These two reports are from the CJ'61 *Jamboree Journal*. The one above is from the July 6 issue, the first day of the Jamboree and reports that Mr. Willard Boyles of SOSSI has arranged a meeting on Sunday July 8 for anyone interested in stamp collecting. The article from the July 14 issue reports on the success of the meeting and that Major-General Dan Spry, a SOSSI member, was the guest speaker.

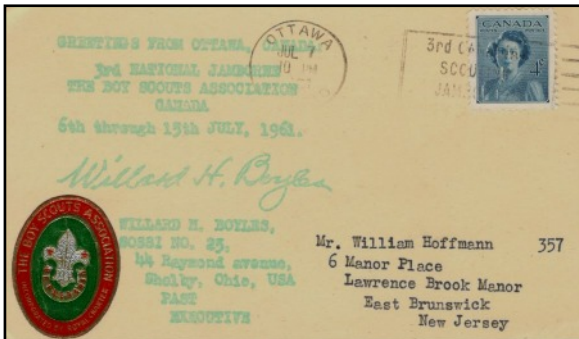

JAMBOREE JOURNAL

Scouts on Stamps

Last Sunday all the fellows in the camp-site who are interested in collecting Scouts on Stamps, gathered together for a meeting to discuss their hobby. Don Woodside of Brockville was appointed chairman of the meeting, which had been organized by Willard Boyles of Shelby, Ohio, a former Executive Secretary of the Society.

A special guest at the meeting was Maj.-Gen. D. C. Spry, Director of the Boy Scouts International Bureau and a Scouts on Stamps collector. General Spry spoke to the group about his travels throughout the world and of the interest he had found in Scouts on Stamps.

The members present exchanged ideas and traded stamps. The Boy Scouts International Bureau offered several stamps for sale and this was much appreciated by those present at the meeting.

This example also has a colored Canadian Boy Scouts seal.

During WWII, the Army based at Connaught used a Military Post Office cancel, MPO 308 between 1941 and 1945. "The Canadian Military Posts Volume 2 1920-1946" shows a picture of this on Page 180 as seen on the right. There is a report that when CJ'61 was held, this cancel was resurrected and used at the Jamboree. See the image below from Page 68 of the book "The Canadian Military Posts - Volume 3 1947 to 1989" by W.J. Bailey and E.R. Toop. However, no such examples have yet been found of this cancel for CJ'61.

1967 was Canada's Centennial Year and many Scout groups sponsored special projects to celebrate this occasion.

The Lakehead Boy Scouts created a "Voyageur Mail" project to carry mail 250 miles by canoe from Port Arthur to Fort Frances. This was the Kaministiquia Canoe route which was used as a trade route in the early days of exploration and fur trade in Canada.

The objective was to deliver the mail on schedule, while collecting cancellations from municipalities along the way.

EXPO'67 ran from April 28 to October 29, 1967 and had over 50 millions visitors. EXPO was first awarded to Moscow but they withdrew in 1962.

The International Scout Centre at EXPO'67 was sponsored by H.J. Heinz Co. Of Canada Ltd. It featured demonstrations of Scouting activities and a Scouting information bureau. It was staffed by a 100-member Scout Service Corps, including representatives from the Boy Scouts of America, brought to EXPO'67 for one week tours of duty. Their services included flag ceremonies to honor National Days, assisting youth groups and the handicapped, and helping to greet Expo's visitors.

GREETINGS FROM CANADA!
 It's a birthday year in 1967! It marks the diamond jubilee of Scouting and Centennial of Canada's Confederation. These Wolf Cubs, shown with a member of the famed Royal Canadian Mounted Police, are holding the official Centennial flag. Taken in Canada's capital, Ottawa, the Parliament Buildings are shown in the background with our new flag flying from the top of the Peace Tower. — Photo by John Evans, Ottawa.

This Vincent Massey FD Cover was produced by SOSSI member Orville O'Brien and had as a cardboard insert, the formal Governor General's speech used to open the 8th World Jamboree.

Camp Chief and Scouts:

First, let me as Chief Scout of Canada welcome most warmly, on behalf of your hosts the Boy Scouts of this country, the many thousands of Scouts who have come to our shores from all parts of the world. Your hosts have been looking forward to meeting you and hope that you will feel thoroughly at home here at this International Jamboree.

It is now forty-eight years since our Founder, Lord Baden-Powell of Gilwell, held the first Boy Scout camp in history on Brownsea Island, in England. Who could then have foreseen that the movement, which had its birth at that camp, would within little more than two generations, have grown to number more than six million members in nearly sixty countries—and to have served in less than half a century probably more than thirty million boys—boys of every race and of every creed, all giving allegiance to the same high ideals.

I know that this great gathering will leave its mark on this country which has been honoured to have you as its guests. I am sure, too, it will leave its mark not only on the Scout Movement throughout the world, but indeed on the world itself, because a group of young men—and you are approaching manhood—with conviction and determination can make no small contribution to the countries they belong to and to the relations between them.

I am greatly impressed by the magnitude and vigour of your organization. You are doing three things which I think are of immense importance: things which no one else can do quite as effectively. First, you are promoting self-discipline. The Scouts obeys his Scoutmaster not unreasonably, not through fear, but in order to carry out the job they are doing together. The best road to self-discipline is willing and intelligent submission to the discipline of the group.

You also cultivate good manners. The Scout is courteous; more than that, he takes the trouble to learn the simple forms which, as we know by experience, are best fitted to convey our courteous intentions. He never tolerates negligence or impertinence in manners.

And you are teaching the value of responsibility. What you learn you teach to your juniors. What must be done you do, or you see that it is done. You serve your group with loyalty and efficiency.

I offer you my best wishes for success in all you do. I shall follow your proceedings with great interest and concern.

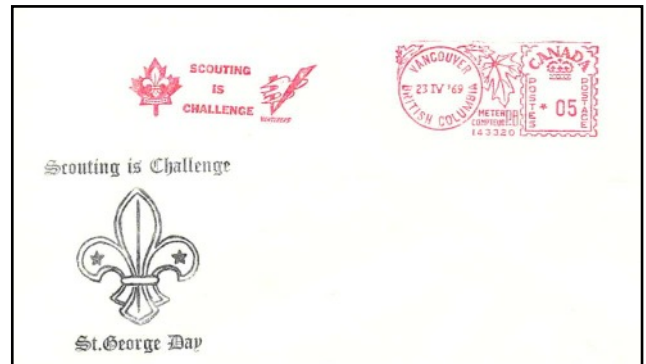

I am happy to declare this Eighth World Jamboree officially open.

by H.E. The Rt. Hon. VINCENT MASSEY, C.H.

1978 Caption

Lietuvių Skautų Sąjungos 60-toji veiklos sukaktis (1918-1978)
 In 1918 the Lithuanian scouts and guides organization was founded in independent Lithuania. As a result of Lithuania's occupation in 1940, many Lithuanians fled to the free world, where these scouts and guides have been active since 1945. The Lithuanian scouting movement will celebrate its 60th Anniversary in 1978.

The back of the card shows the three red Rubber stamps used for:

- Polish Scouting World Jamboree
- Inauguration Day Jul 31
- Closing Day Aug 14

Any of these three can appear on any of the cachets for the Jamboree.

Initially, all rectangular Jamboree cancellations were in black ink with solid printing. However, the local Postal authorities had not approved the cancellations ahead of time, and they made the Jamboree staff cut a slash through the “Postes” and “Post”, and change the ink to red in all three cancels. An additional Rubber stamp of “Specimen - For Publicity only” was added to those covers that did get cancelled before the changes.

CJ'81 was held in the new Kananaskis Park to test its facilities for the 15th World Jamboree to be held there two years later in 1983.

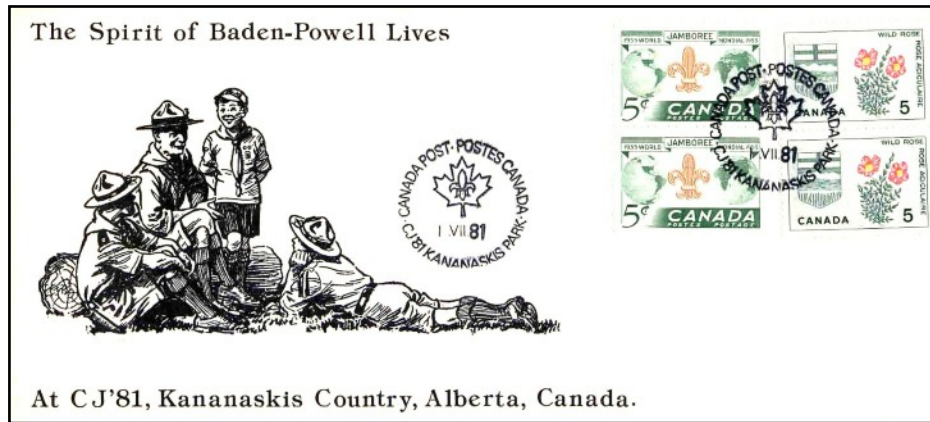

There were three different cancels for CJ'81. When the date slugs were received, the year line only went up to 80. Arrangements were made to get the correct 81 dies but they weren't available until July 2. The local Canmore Post Office was able to provide a 81 die, but it was for the parcel canceller which was larger. It was cut down to fit the Jamboree canceller, but resulted in a very thick **81**. Thus, the cancels were:

- 1.VII **81** - Used on July 1 only (Opening Day)
- 4.VII 81 - Used on July 4 only (Ceremonies Day)
- 81VII.dd - Used on all other days

All three of these can be seen on this page.

Kaulbach Island lies in Mahone Bay on the south shores of Nova Scotia, across from Chester and west of Halifax. From 1971 to 1984 the Island owners operated the Kaulbach Island Local Carriage Service, carrying mail to and from the Island. Canada Post approved the service if the local stamps were affixed to the back of the envelopes and a valid Canadian stamp was on the front.

In 1982 they issued 1500 sets of six scouting stamps along with a cachet honoring the 75th Anniversary of Scouting. The stamps were perforated 11.5 and were in four colours. One year later they over-printed 500 of the original sets of seals with "Jamboree 1983" and created a slightly modified cachet to honor the 15th World Jamboree, using the new Scout stamp on its first day, July 6, 1983 (See cover 83FD-8).

These are some examples of used covers from Kaulbach Island Local Carriage Service.

Boy Scout Stamp FD - July 6, 1983 - 15th World Jamboree

Canada Post and Scouts Canada sponsored a contest amongst all Scouts for the design of a stamp for the 15th World Jamboree. Marc Fournier, a 12 year old Scout from Edmundston, NB had the winning entry, and 6 year old Michael Timms, a Beaver from Delta, BC did the cachet design. Both of them autographed this Canada Post official FDC.

The 15th World Jamboree was held July 4-16, 1983 at Kananaskis, Alberta, not far from Calgary. Close to 16,000 Scouts and adult leaders attended from 102 different countries. The camp was divided into 15 sub-camps, each one named after a wild animal native to Canada. A Canadian Scout stamp was issued on July 6, the 3rd day of the Jamboree, and its official Opening Day. The Jamboree Post Office was located in "Katimavik" (Meeting Place) and SOSSI member Alex Hadden from Vancouver, BC was Jamboree Post Master.

c.

Baden-Powell's grandson, Robert, autographed 200 First Day Covers for sale for \$50. each as a fund-raising project for Scouts Canada.

Scouts On Stamps Society International (SOSSI) operated a trailer at the Jamboree where they sold SOSSI and Chapter cards and covers (as seen on the next pages), patches, seals and pins. The SOSSI trailer was right beside the Post Office one in Katimavik. It was staffed by these SOSSI members:

Front Row (L to R): David Jefferies, Chuck Fisk, Bob Rapp, and June Gray

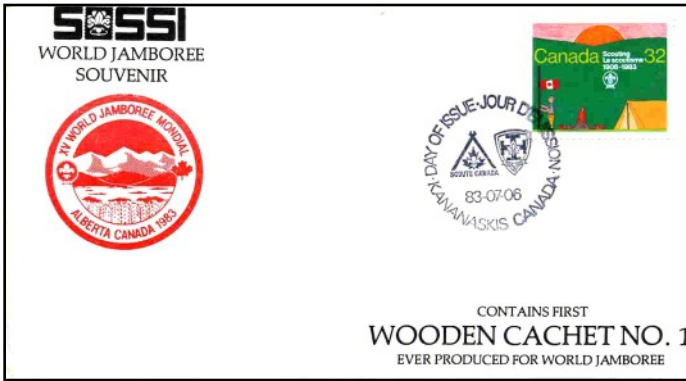

Back Row (L to R): Ed Lattimore, John Adams, Jerry Hill and (?)

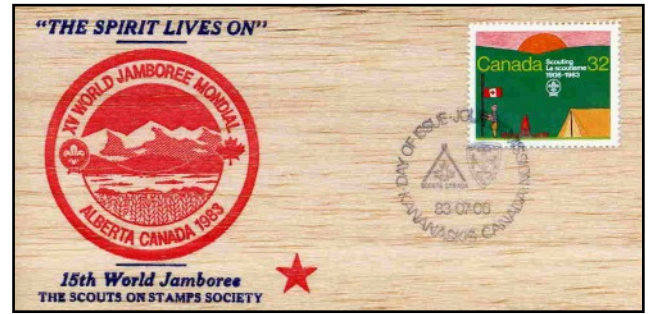

SOSSI held a meeting on Thursday, July 7 at 7 pm. There were 30 attendees, including the stamp designer, 12 year old Marc Fournier, who stayed and autographed numerous covers throughout the meeting.

Sometimes Art Wood would create one design & have it duplicated before hand coloring. In this case, he created the same basic design individually on each cover. A careful look at these two show some differences: the mountains on the right side, the branches of the trees, and the word "Jamboree".

**RIDEAU HALL
OTTAWA
K1A 0A1**

**GOVERNMENT HOUSE
RÉSIDENTE DU GOUVERNEUR GÉNÉRAL**

I am pleased to have this opportunity to extend, on behalf of the people of Canada, a warm and friendly welcome to the representatives of the many nations who have come to this country to attend the XV World Boy Scout Jamboree.

It is now seventy-five years since our Founder, Lord Baden-Powell of Gilwell, held the first Boy Scout camp in history at Brownsea Island, in England. Who could have foreseen that the Movement, which had its birth at that camp, would have grown to number more than sixteen million members in nearly 150 countries and territories — and to have served in less than a century nearly more than 100 million boys — boys of every race and every creed, all giving allegiance to the same high ideals.

Canadians are a people of diverse racial origins who have come, or whose forefathers came, from nearly every country in the world bringing with them their customs and their arts. Each group, in co-operation with all of their fellow Canadians, is making a genuine contribution to the cultural and economic growth of this young and vigorous nation.

Your Jamboree is an excellent example of international friendship and good will. I am sure you will make the most of the opportunities it presents to meet and to make friends from many countries and that you will take back with you to your own land a happy memory of your stay with us.

Chief Scout
Ed McVey

Canadian Scout & Guide Cachets - 1990s

On August 7, 1990, Canada Post issued four Canadian Forests stamps, one for each season. Scouts Canada, Canada Post and Petro Canada formed a "Trees For Canada" program. Anyone could purchase a package of the four stamps at a Petro Canada station for only \$1.00 (regularly \$1.56) in a special envelope. One of the four types is shown at the bottom. Petro Canada would then donate 5 cents for every package sold, to the Scouts Canada "Trees for Canada" project.

After buying all four sets they could then send in a postcard to Canada Post in order to receive a Certificate of Participation as shown to the right. The postcard was returned on the Certificate in a glassine cover, and with a Canada Post Trees cancel.

Some people would also obtain cancels on the four envelopes.

FOREWORD

Vintage Guild Productions publishes an ongoing series of finely crafted Heritage Portfolios, as well as producing art prints, postcards, pamphlets, and stamps. Each folio contains a group of six collector-cards, replicated to exciting standards to ensure clarity of detail and accuracy of color, on a premium sheet. These intriguing reproductions are presented in a colorful folio, detailing historical information about each card. Each Heritage Series Portfolio is diligently researched and assembled to parallel and relate to the thematic, and often enigmatic, collecting interests characteristic of special interest-groups or societies (i.e. Philately: the collecting and study of postage stamps; or Deltology: the collecting and study of postcards).

LIMITED EDITION

All Heritage Series Portfolios are subject to a strict limited edition quantity of 2000 Units. Each folio and all collector-cards are individually numbered and handmarked, which is our guarantee that the Portfolio issue limit will not be exceeded. Additionally, each Heritage Series Portfolio also contains a special limited edition Commemorative Souvenir Sheet or Pamphlet, which can only be acquired by purchasing a complete Portfolio. Open stock postcards are issued unnumbered, sold on an individual basis, without the benefit of the folder, souvenir sheet, or pamphlet.

PLEDGE OF SATISFACTION

Vintage Guild Productions takes great pride in offering works of uncompromisingly high standards of quality, crafted with care and dedication by skilled artisans, under the direction of Don Bowen. Each Heritage Series Portfolio comes with our assurance that it will meet your highest expectations—we fully guarantee the superior quality and craftsmanship of all our products.

ONGOING SERIES

Now, at a modest cost, you can build your very own collection of collector-cards as new portfolio editions are released. Only the very best thematic imaging is reproduced, in order to continually add a new dash of color and interest to your growing collection of nostalgic memorabilia.

HERITAGE SERIES REGISTRATION CARD

VINTAGE GUILD PRODUCTIONS

VINTAGE GUILD PRODUCTIONS continually publishes an array of ongoing Heritage Series Portfolios. Each Series is carefully researched, providing essential historical information about each card. The first two "Scouting" — Heritage Series Portfolios were released at Scout Canada's 8th Canadian Jamboree CJ'93 July 10-18, 1993 in Alberta's Kananaskis Country. Scouts were given the opportunity to purchase these two series:

Series 9301 — "THE FORMATIVE YEARS"
Series 9302 — "SYMBOLS OF DISTINCTION"

These, the first two nostalgic collections of Scouting memorabilia, were offered at CJ'93 for the first time. The reverse (front) side of this postcard is one of the classic examples of Scouting's vintage postcards to be released in our Fourth Series, as noted below. The next two "Scouting" Heritage Series Portfolios to be released are:

Series 9303 — "SIR ROBERT BADEN-POWELL"
Series 9304 — "VINTAGE POSTCARDS"

Heritage Series Portfolios 9303 and 9304 will be released simultaneously, and issued in a strictly Limited Edition, serially numbered from 0001 to 2000. Portfolios sell for just \$9.95 each, at authorized dealers, or directly from Vintage Guild Productions. Collectors wishing to purchase Portfolios having corresponding matching Serial-Numbers, can do so by pre-registering their serial request, by mail order only! By promptly completing, and returning this Registration-Order Form we will ensure that newly issued Portfolios are registered exclusively to you!

NOTE— This Card has been Serially Numbered on the front side to correspond with the Serial Number of the Portfolio just purchased. Do you wish to purchase future "Scouting"—Heritage Series Portfolios with this specific Serial Number Registered as exclusively yours? If so, you must respond promptly, by returning this Registration Card.

PLEASE REGISTER ALL FUTURE LIMITED EDITION SERIES WITH THE FOLLOWING CORRESPONDING SERIAL NUMBER AS EXCLUSIVELY MINE: **1599**

The town of Chemainus, BC was a small lumber mill town where approximately 300 Japanese Canadians settled between 1900 and the 1940's. Shige Yoshida was born in Victoria, BC but was raised in Chemainus. He got interested in the Scout movement early on and initially became a Lone Scout, and then a leader. In 1929 he started the 2nd Chemainus Boy Scout Troop composed of Japanese Canadian boys. After Pearl Harbour, the Japanese Canadians were interned in camps where Shige continued operating his Scout troop. By 1943 he had 125 Scouts in his troop, which was the largest in North America. After the lumber mill closed down, Chemainus went into the tourism business. One activity they started in 1982 was the *Festival of Murals*, with 5 large murals painted on some of the historic buildings, followed by 7 more in 1983. In 1991 Stanley Taniwa was commissioned to paint a large mural (#30) depicting the *Lone Scout*. Stanley included some members of his family in the background of the painting. The photo used for the painting is shown at top, while below it, Stanley & Shige pose in front of the painting in 1991.

The Dorchester Camporee was started in 1990 as a 3-day camp on the Mother's Day weekend in May. Every year, a special Canada Post cancel was used, which was identical each year, except for the date line. Different labels were used as cachets each year illustrating the camp's mascots - a raccoon and a porcupine. In addition, Dorchester held a 1-week camp in the summer and occasionally used the same cancel, again with only the date line being changed.

SOSSI held their Annual General Meeting at CAPEX'96 in Toronto. Other SOSSI activities included a large booth at CAPEX'96, a SOSSI Dinner at Ed's Warehouse Restaurant, an Auction and tickets to the Toronto Blue Jays vs New York Yankees baseball game in the Sky Dome, just next to CAPEX'96. The covers shown below were sometimes used on other CAPEX'96 days, and especially on July 13 when another stamp issue was made for the Yukon Gold Rush.

CAPEX'96 Youth Booth. Audrey Mercer ran the Youth Booth at CAPEX'96 and had copies of many different portraits of Baden-Powell available for the children to cut out and paste onto envelopes. The children could then add any other drawing before applying stamps. They would then travel around to obtain a variety of CAPEX'96 cancels. Audrey had her own registration on the back of each envelope such as the one shown to the right. The three examples below join the cover 96FD-3 on the previous page to highlight the variety of these.

The Lazy Sleeping Giant Letter

Dear _____

I am at the Canadian Jamboree in Thunder Bay

Today is _____

and I am having

- a fantastic time
- a lousy time
- a rad time
- no time

as you know we travelled by

- plane
- train
- bus
- bike
- foot

I had my last shower on

- Monday
- Tuesday
- where are the showers?

and have lost

- my clothes
- all my friends
- my hang ups
- my dignity
- my

The programme is fascinating. So many things to do ...

- I'll be a mountain biker for ever
- First Nations activity
- Garbageless lunch kit
- Scoutship Enterprise
- Water activities
- Cow patty tossing
- You name it ...

I hope that you realise that I won't write another long letter like this one. I'll tell you all about it when I get home...

- for a decent meal
- for a long hot shower that will drain the system
- to jump into bed and not wake up for at least 24 hours

As soon as we arrived we

- set up camp
- tried out the "hot" showers
- visited the Thunder Dome
-

We cook our meals in turn, consequently when it is my turn

- we run out of seconds
- it's burnt like the BBQ's at home
- the quality is out of this world, whichever way you look at it.

I've been on out trips to

- Old Fort William
- a First Nations encampment
- Sleeping Giant Park
- Kaministikwa River

Yours in Scouting,

and have met

- lots of girls
- lots of guys
- the first aider

The food here is

- interesting
- excellent
-

I've got to go soon

- have a good time without me
- I miss you
- I'll buy you lots of presents
- I'm broke; you know my address here, don't you?

The RPSC (Royal Philatelic Society of Canada) held their annual show in Hamilton on May 29-31, 1998. On Saturday, May 30, Hamilton had their 60th Annual Scout/Guide Parade. Newspapers estimated 9000 took part in the parade. These youth were invited into the show and given free stamp packages. As well, the Maple Leaf Chapter SOSSI donated 1000 "wooden nickels" as shown to the right.

Canadian Scout & Guide Cachets - 2000s

In 2000, England hosted a world philatelic exhibition called “*The Stamp Show 2000*”. It was held at Earl’s Court in London from May 22 to May 28, 2000. The Scout & Guide Stamp Club (SGSC) in the UK held their own show and exhibit at Baden-Powell House in London during the opening weekend. As a result of both of these events, Scouts On Stamps Society International (SOSSI) decided to have their 2000 Annual Meeting at Baden-Powell House in London on May 23.

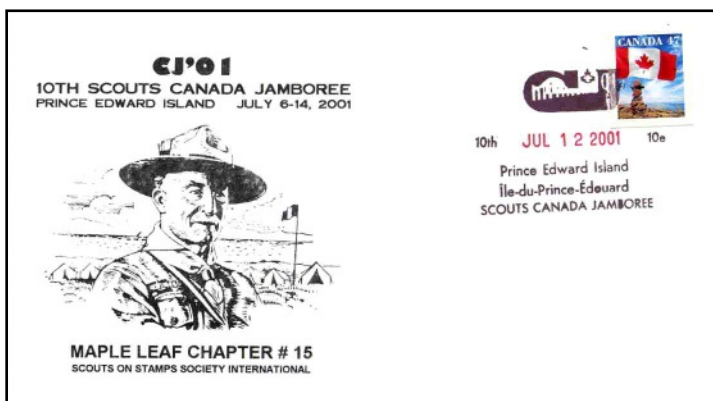

The Maple Leaf Chapter, SOSSI was asked to prepare covers for all attendees at the SOSSI Annual Meeting. The covers above were taken to *The Stamp Show 2000* for cancellation on the morning of May 23, the day of the SOSSI Annual Meeting. The Royal Mail at the show, however, would not provide “hand-back” service for covers. They had to be actually mailed.

However, the Canada Post booth at the show did provide “hand-back” service. As well, they were issuing a new stamp that same day, May 23, for the Queen Mother. Thus, SOSSI used a Canadian stamp for the cover of their Annual Meeting in London, England. They all received a “Day of Issue” May 23, 2000 cancel from Ottawa, along with the Show cancels from both the Canada Post and the Royal Mail booths at the Show.

The cover shown above was autographed by William Conran, the designer/photographer of the Queen Mother stamp.

These cards from the 2nd Halifax Troop Contingent came in a number of varieties. The same photo was used in both a. and b., but printed in a slightly different position on the card. A different photo was used in c. As well, a different font was used below the photos in all three cards. Finally, a Halifax Region crest was used in c. instead of the St. George crest in a. and b..

On the back of the cards, a. and b. used a smaller font in listing the people. As well, c. also printed the Scouts Canada logo beside the printed logo of CJ'01, both in color. The Picture Postage stamp had the photo from the a. and b. cards.

A series of multicolored tourist postcards were issued for CJ'01. Each one had a large coloured CJ'01 logo printed on the front, and a shaded gray background logo on the back. There was a half-size card at the top of the other six cards. All of them were attached via perforations. Below are two examples which went through the mail. Both types of CJ'01 cancels can be seen.

Picture Postage stamp of Alex Hadden

On September 16, 2004, Art Wood, at the young age of 100 and a few days, attended the monthly meeting of the Maple Leaf Chapter, SOSSI where he was honored by all the members. Art joined the Chapter in its second meeting in 1962. He served as Treasurer for 15 years and as the designer of numerous Chapter covers. In 1985 he was made an Honorary Member of the Chapter.

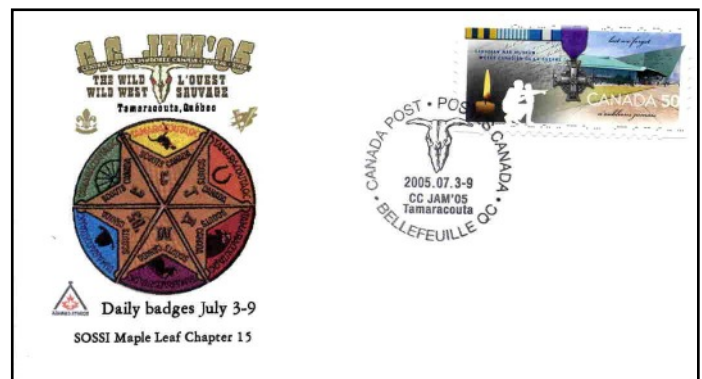

More important was his service in Scouting. He enrolled in scouting in 1916 at the age of 12 and at his death in 2006, had 90 years of continuous Scouting membership, 85 as a leader. He was a King's Scout, a Rover and as a leader, had been awarded the Medal of Merit, the Silver Acorn and Bar, and a Life Member of Scouts Canada.

In 2005 Alex Hadden celebrated 50 years in Scouting, as a youth, a Queen's Scout, Rover Sea Scout and as a leader. He was a Director and Treasurer of SOSSI. He served as Jamboree Post Master for many B.C. Provincial Jamborees, Canadian Jamborees (CJ's) as well as the 15th World Jamboree in Canada in 1983.

50th ANNIVERSARY - 8th WORLD JAMBOREE

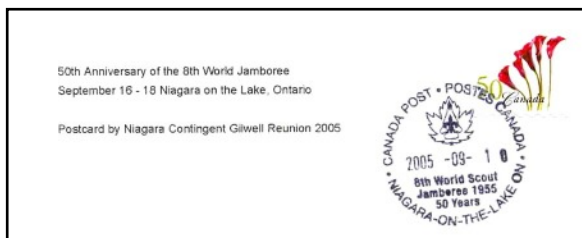

50th Anniversary 8th World Scout Jamboree
Invitation Card - September 16-18, 2005.

**1955 WORLD SCOUT JAMBOREE
CELEBRATING 50 YEARS**

In 1955, the Eighth World Scout Jamboree was held in Niagara-on-the-Lake, Ontario, Canada. This was the first major international gathering of Scouts outside of Europe. Over 11,000 Scouts attended from 71 countries around the world. It was called the Jamboree of New Horizons.

All WJ'55 attendees, Scouts, and other supporters of Scouting are invited to join us in celebrating the 50th Anniversary of the Jamboree. The event will be held at the original Jamboree site on **September 16-18, 2005**. A permanent monument to the Jamboree will be unveiled. The celebration will be held jointly with the Scout Brigade of Fort George, a camporee which annually attracts well over a thousand Scouts from Canada and the United States. This event is officially recognized by Scouts Canada. A commemorative crest is available. Please contact us for more information:

WJ '55 Anniversary Song - Beatles "When I'm Sixty-four"
When I was younger, barely a Scout,
Fifty years ago,
Just outside of town there was a Jamboree,
It was really something to see,
Out on the commons, down by the lake,
Who could ask for more?
Hair is receding, but I'm still leading,
Though I'm sixty-four.
Scouts of every colour, came together, one another,
It was quite a sight,
Such a sea of green,
Skills and games and songs at night,
And lots of pork and beans ...
If you go back to where we were then,
Fifty years ago,
There are many changes to the quaint old town,
Jamboree site still can be found,
Thanks for the memories, part of my past,
Who could ask for more?
Old human being, still Jamboreeing,
Though I'm Sixty-four. *Bob Prentice 2005*

 Sunrise Ceremony - with Picture Postage stamp
 of a sunrise

A special Picture Post stamp was obtained from Canada Post for the Sunrise Ceremony on August 1. Similar ceremonies were held in countries around the world. The photograph below was taken by George McKell of Ormstown, Quebec, of the sunrise over Tamaracouta Lake at 6 am on August 1, 2007. It was then used to create this cover.

Today is _____

- Ad I am having
- a flastic time
 - a lousy tim
 - a rad time
 - no time

- as you kow we travelled by
- Car
 - Train
 - Plane
 - had the best/worst food
 -

Camp Tamaracouta

- As soon as we arrived we
- set up camp
 - tried out the "hot" showers
 - visited the Trading Post
 -

- and have met
- lots of girls
 - lots of guys
 - the first aider

- I had my last shower on
- Monday
 - Tuesday
 - where are the showers?

- and have lost
- my clothes
 - all my friends
 - my hang ups
 - my dignity
 - my

- We cook our meals in turn, consequently when it is my turn
- we run out of seconds
 - it's burnt like the BBQ's at home
 - the quality is out of this world, whichever way you look at it.

- The food here is
- interesting
 - excellent
 -

- The programme is fascinating. So many things to do ...
- BP Pony Express

 -

- My subcamp is called
-

- and we have the best
- campfires
 - competitions
 - subcamp staff

- I've got to go soon
- have a good time without me
 - I miss you
 - I'll buy you lots of presents
 - I'm broke; you know my address here, don't you?

I hope that you realise that I won't write another long letter like this one. I'll tell you all about it when I get home...

- for a decent meal
- for a long hot shower that will drain the system
- to jump into bed and not wake up for at least 24 hours

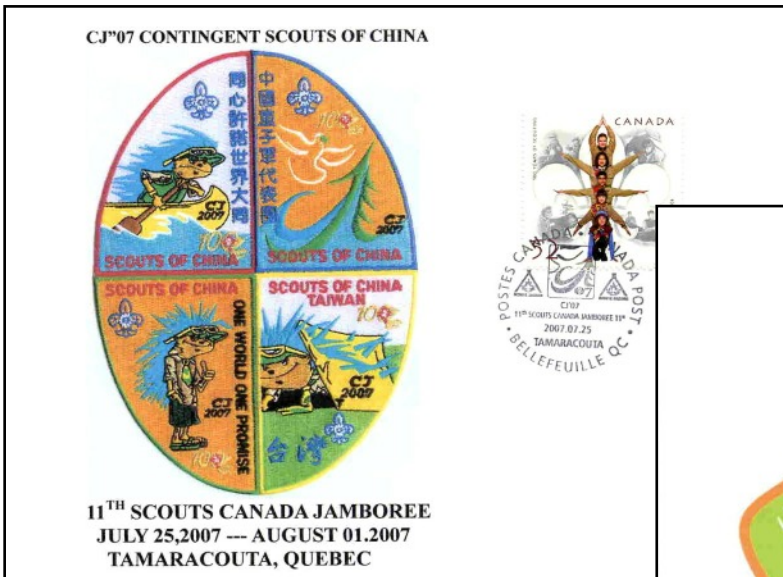

Yours in Scouting,

Belleville Scout/Guide Museum

Printed Multicolor

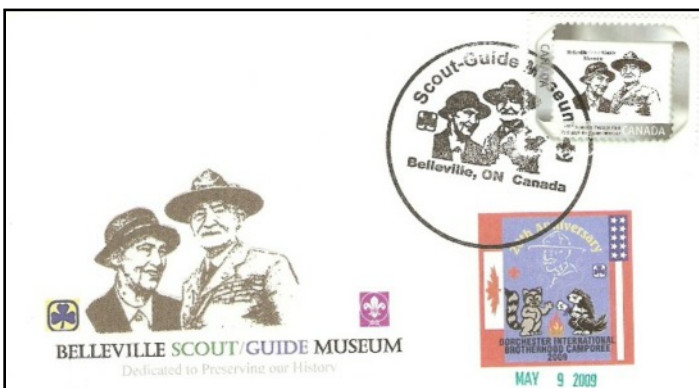

New Museum cover with the Museum logo and matching Picture Postage stamp

In 2009 the Belleville Scout/Guide Museum created the cover **2009-1** (above) for the Museum. They also created a Picture Postage stamp (CPP09-1) of their logo, and a Rubber hand stamp as shown above.

For any major event in which they participate, they add that event logo to their Museum cover. The first example of this is shown below.

The Belleville Scout/Guide Museum was started in 1975 as a private museum in the home of Ron Moon of Corbyville. It has grown to be one of the largest collections of Scout-Guide memorabilia on permanent display in Canada. The Museum features over 30,000 items, including books, magazines, journals, newspaper articles, postcards, stamps and covers, uniforms, badges, pins, mugs, belts, woggles, banners and posters to name just a few.

CCJAM'09

CCJAM'09 was scheduled to be held at Camp Samac by Oshawa, Ontario from August 5-12, 2009, but was cancelled due to low enrolments. Bill Bartlet of Montreal had already designed these two Jamboree covers and a postcard, but they were never used.

Camp Samac was named after Sam McLaughlin, who donated the funds in 1940 for the purchase of the land. He founded the company which later became General Motors of Canada. The camp was officially opened on September 5, 1946. One cover and the postcard carried an old photograph of Sam McLaughlin with three Scouts at the opening. One of the covers also pictures the Canadian stamp honoring Sam McLaughlin which was planned to be used on the covers.

The sight which greeted the citizens of Southampton was a massive but beautiful and graceful ship finished in the White Star Line colours - a black hull with red boot topping at the waterline, white superstructure and upperworks, and yellow masts and funnels, the latter each capped with a broad black band. The hull was 882ft long, a beam of 92ft and a draught of 34ft. Although gross tonnage was given as 46,329, the ship actually displaced 66,000 tons. For such a large and new ship, the construction of the hull was relatively simple and traditional. A combination of transverse frames and longitudinal girders built up from the keel provided the framework on which the hull's steel plating was riveted. The vertical transverse frames were spaced three feet apart along the whole length of the hull except in the bow and stern. The plates were almost an inch thick and were held in place by millions of rivets, which alone accounted for some 1,500 tons of the ship's final weight. Apart from rounded bilges the hull had an almost square section for most of the midships section, a shape which allowed the maximum usable internal space. The lower edges each carried a 300ft long bilge keel which acted as dampers to reduce rolling, while below the stern were massive castings to support the propellers and the 78 ft high, 101 ton rudder. Of particular interest in view of subsequent events were the provisions incorporated to maintain buoyancy in the event of the hull being pierced and internal flooding occurring. The main safety feature in this respect was the division of the hull into separate zones or compartments by no fewer than 15 watertight bulkheads, each incorporating watertight doors which could be closed by operating a single electric switch on the bridge. In a collision, the main hazard envisioned, the TITANIC was designed to stay afloat with at least any two compartments completely flooded and would probably float in calm conditions with up to four filled with water. There were no longitudinal watertight bulkheads, a deliberate omission which ensured the ship would not list unduly if holed. Although neither Harland & Wolff nor the White Star Line ever claimed that the TITANIC, or her sister ships were unsinkable, both were confident they would survive all known hazards, and that their size, strength and design made them as safe as was humanly possible.

In 2012, Queen Elizabeth II celebrated her Diamond Jubilee as Queen (1952 to 2012). Canada Post issued a series of stamps and souvenir sheets commemorating events related to her visits to Canada, organized into six 10-year packages. Each package contained one souvenir sheet amongst a number of other items. For the decade 1973 to 1982, the above souvenir sheet was included.

The bottom right corner of the selvage shows Queen Elizabeth examining some badges worn by a Brownie. The stamp designer group of Canada Post was able to provide this caption that went with the original photograph: “Queen Elizabeth II chats with eight-year old Brownie Julia Whitehead after receiving a bouquet of posies upon her arrival at Canadian Forces Base Namao, just north of Edmonton, AB on August 1, 1978. The Queen, along with Prince Philip and their sons, Prince Edward and Prince Andrew, began a week-long visit to Edmonton and Northern Alberta.” Two days later, the Queen officially opened the XI Commonwealth Games in Edmonton, held August 3 to 12, 1978. (See cover 78-7).

Julia might have been the daughter of a military man at the Base. The man on the far right was a Group Captain (four stripes on his sleeve) and was probably the Commander of Base Namao ... or was that Prince Philip? And the two younger ones in the background might be the two Princes. In 1978 Prince Andrew was 18 years old and Prince Edward was 14 years old.

Two postcards of the Post Office staff were created. Both backings were the same as that shown for cachet 2013-9. The exterior view one used the Camp Woods Picture Post while the Albert Picture Post was used for the interior view. Staff were given two copies of each, one with a July 6 cancel and one with July 13.

Alex Hadden (Richmond, BC) was the Jamboree Post Master. He was assisted by David Bartlet (Calgary), Bill Bartlet (Montreal), Robert Lewis (Hamilton), Linda Kot (Calgary) and Amanda Sambrielaz (Kelowna). In the exterior view postcard, going left to right, it is Alex, Bill, Linda, Robert, David, with Amanda in back.

The Lazy Mailsasaurus

Dear _____

I am at the Canadian Jamboree near Sylvan Lake, AB

Today is _____

and I am having

- a fantastic time
- a lousy time
- a rad time
- no time

As you know we travelled by

- plane
- train
- bus
- bike
- foot

I had my last shower on

- Monday
- Tuesday
- where are the showers?

and have lost

- my clothes
- all my friends
- my hang ups
- my dignity
- my

We cook our meals in turn, consequently when it is my turn

- we run out of seconds
- it's burnt like the BBQ's at home
- the quality is out of this world, whichever way you look at it.

As soon as we arrived we

- set up camp
- tried out the "hot" showers
- visited the X Centre
-

and have met

- lots of girls
- lots of guys
- the first aider

The programme is fascinating. So many things to do ...

- fly like a Pterodactyl
- Atlantis
- Sylvan Crusades
- Bone Yard
- Chasing Grizzlies
- the Amazing Race
- You name it ...

I've been on out trips to

- Calgary Stampede
- Rocky Mountain House
- White water rafting
- Shunda Mountain

My subcamp is called

.....

and we have the best

- campfires
- competitions
- subcamp staff

I've got to go soon

- have a good time without me
- I miss you
- I'll buy you lots of presents
- I'm broke; you know my address here, don't you?

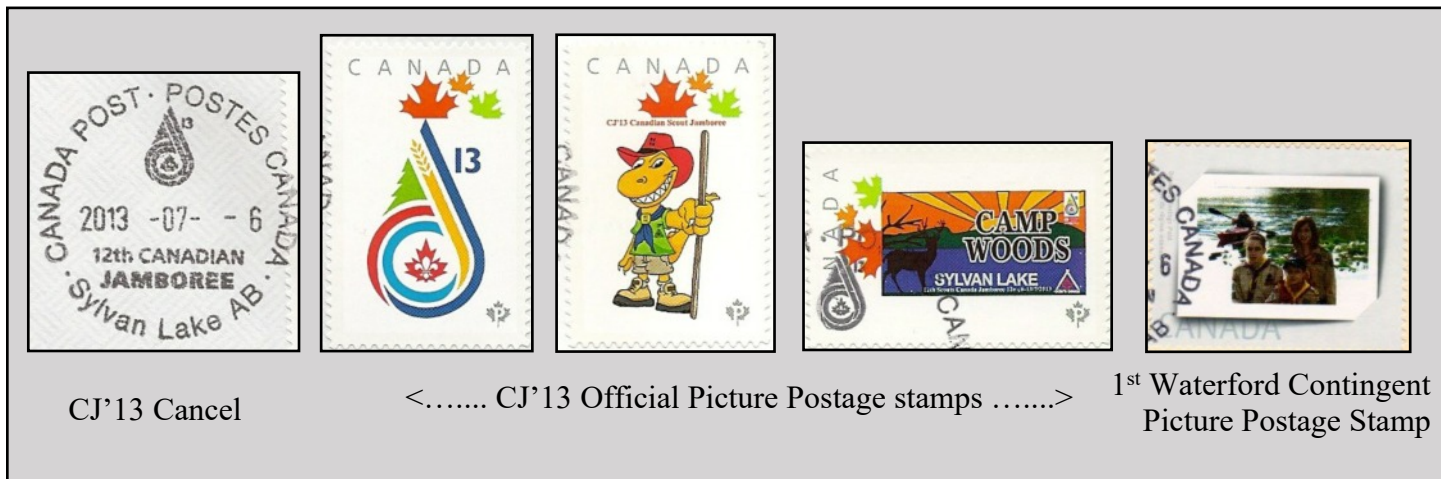

I hope that you realise that I won't write another long letter like this one. I'll tell you all about it when I get home...

- for a decent meal
- for a long hot shower that will drain the system
- to jump into bed and not wake up for at least 24 hours

Yours in Scouting,

14th WORLD ROVER MOOT

The 14th World Rover Moot was held at the Scout Camp Awacamenj Mino, Quebec, 75 km north of Ottawa, August 8 to 18, 2013. Approximately 2000 Rovers, ages 18 to 25, from 83 countries participated. The main events were held at the Camp, but rotating excursions were organized to Quebec City, Montreal and Toronto.

Originally, the Moot organizers did not plan to have Postal facilities, since they felt mail would be sent from the Rovers' visits to the three cities. However, SOSSI member Michael Feigenbaum, convinced them to establish a Postal facility at the camp, and he set out to organize it, as PostMaster, including creating a mailbox, printing covers and postcards, obtaining rubber stamp cancellations, and ordering Canada Post *Picture Postage* stamps.

Michael Feigenbaum

There were 14 different *Picture Postage* stamps available. Eight were vertical and six were horizontal. Ten were at the \$1.85 International rate, while the other four (shown at the bottom) were at the "P" Domestic rate. A total of 900 *Picture Postage* stamps were produced.

One or both of two rubber stamps were applied to all outgoing mail. One was dated August 8, the Moot's first day, while the other had August 8-18 dates. The mail was then taken to the nearest Post Office in the town of Duclos, 10 miles from the camp, where it received an official Canada Post cancellation.

Acknowledgement: The author would like to thank Michael Feigenbaum for generously providing the images and information contained in this section about the 14th World Rover Moot.

Canada Post Admail
Scouts Canada - Ottawa

Printed Black red

With special scouting Admail stamp

Canada Post offers *Addressed Admail* and *Unaddressed Admail* for businesses to do advertising. The Admail stamp is printed directly on the envelope. The 7 digit number is the customer account and the 4 digit number at the bottom right is the mailing number. This one shows a Scout looking out from a tent, and is based on this banner from Scouts Canada to promote scouting. The wording on the banner was too small to reproduce on the stamp.

SOSSI AT ROYAL *2015* ROYALE

The Maple Leaf Chapter invited their parent international society, SOSSI, to have their Annual General Meeting (AGM) and other events at the Royal*2015*Royale show in London, Ontario May 22-24, 2015. The Royal show was the Annual Convention of the Royal Philatelic Society of Canada (RPSC).

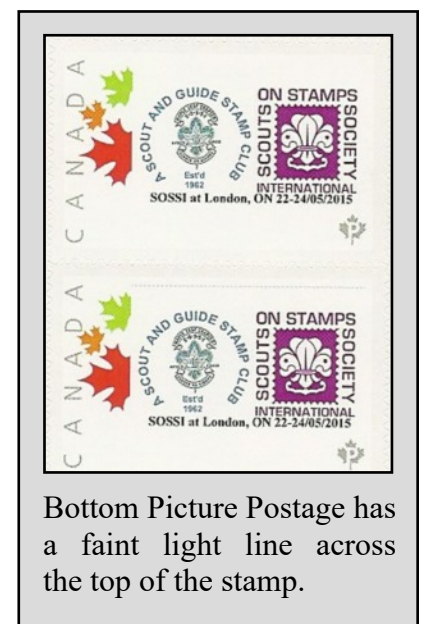

SOSSI had a Society Booth throughout the show, as well as a SOSSI Dinner, a Board of Directors Meeting, the AGM and a seminar/presentation.

There were 28 people enjoying the SOSSI Dinner at the Marienbad Restaurant on Friday, May 22.

There were two Canada Post cancels issued to recognize SOSSI's participation at the show.

Bottom Picture Postage has a faint light line across the top of the stamp.

A Picture Postage stamp was designed and ordered through Canada Post. It contained the logos of both the Maple Leaf Chapter and of SOSSI. It was available at all three rates, "P" for domestic mail, \$1.20 for U.S.A. mail and \$2.50 for international mail. They were printed in booklets of 12 stamps. A "variety" was noticed where the bottom three stamps in all booklets, for all rates, had a very light black line across the top of each stamp. As well, full and Keepsake sheets were ordered for the "P" rate for use on the SOSSI covers for the show.

SOSSI AT ROYAL*2015*ROYALE

The matched set of three covers shown on the previous page was designed reflecting the show's theme of *Remembering "In Flanders Fields"*. These three patriotic scout postcards were used as cachets. All three were mailed in 1915 - the first from Tavistock, ON to Stratford, ON, and the other two "On Active Service", with a red triangular "Censor" hand stamp. The back of all three SOSSI covers had information about SOSSI & the Maple Leaf Chapter, along with a reproduction of the postal markings of the postcard.

The Girl Guides of Canada held a National Camp on July 9-17, 2016 at Camp Woods, near Sylvan Lake, Alberta. It was known as "Guiding Mosaic 2016" and was held in the same location which hosted Scouts Canada's 12th Canadian Jamboree, CJ'13, in July 2013.

Pathfinders and Rangers, ages 12 to 18 were eligible to attend and over 2000 of them joined a service staff of over 700 for the 9 day camp. Guides from another 13 countries attended.

The camp mascot was "Aurora", a Rocky Mountain Bighorn Sheep. It was featured on a Canada Post Picture Postage stamp at all three rates (P, USA, International) for attendees to use on their mail.

A promotional card for the camp was also developed, as shown to the right. The back of the card had all the details about registering.

24th WORLD JAMBOREE, WEST VIRGINIA, USA JUL 22-AUG 2, 2019

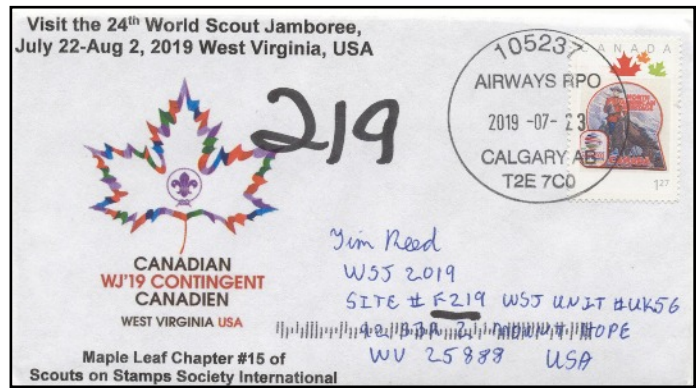

Dave Bartlet of the Maple Leaf Chapter, SOSSI prepared a large number of covers to be mailed from Canada inbound to the 24th World Jamboree in West Virginia, USA. There were 7 different cachets used on different sized envelopes. A total of 60 covers were mailed on varying days, some via the Tracked Package - USA facility. They were all addressed to one of Dave's contacts, Jim Reed in Site F219. For this reason, somebody used a marker pen to write "219" on some of the covers to assist delivery within the Jamboree. Two similar but different Picture Postage stamps at the USA rate of \$1.27 were used. The one without the writing at the bottom was originally prepared to use at the Royal 2019 show and RPSC Convention in Mississauga, ON, June 21-23, 2019. It was then modified with the writing on the bottom for the World Jamboree.

The Penticton and District Stamp Club chose to celebrate this special scouting anniversary with the above cover. They obtained this image from Scouts Canada Museum in Ottawa of a hand-carved wooden bust of Lord Baden-Powell to use as a Picture Postage stamp. A small plaque at the bottom said “Presented to Scouts Canada from the Scouts of Sierra Leone”. A decade earlier in 2011, CWO Mike Lacroix led a small UN Peace Keeping unit of seven Canadian soldiers in that area. The rebels had taken over the Grafton National Scout Camp leaving much damage by the time peace was negotiated. CWO Lacroix decided to repair things so that scouting could be restored. He arranged for the Canadian Army to supply much of the material to repair the buildings. He got the Brotherhood Fund in the UK to send uniforms and training material. He also set up other fund raising projects. Everything was finally restored and the Scouts of Sierra Leone had this bust carved and presented to show their appreciation.

“Boy Scout Message” Cachets

Between the 1920s through the 1960s, there was widespread use of “Boy Scout Message” and other corner card envelopes for business use in regional and local offices. Sometimes additional messages or slogans were printed on the envelopes. The following examples are just a small indication of the very large variety of these envelopes.

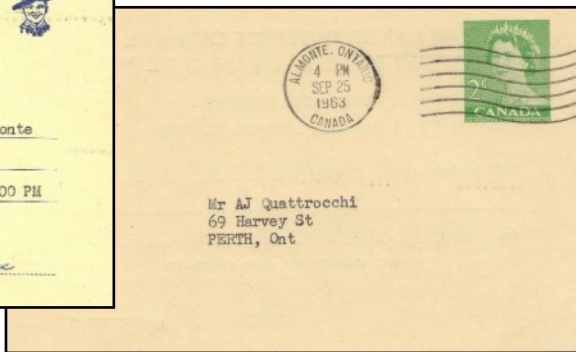

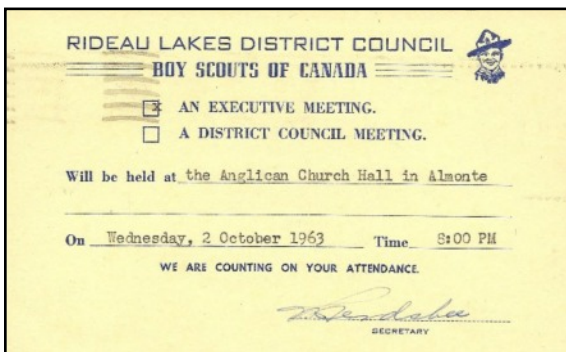

A major reorganization was taken in this section in Version 2.1. Covers are now sorted alphabetically by city and then by date within each city. The Catalog number was changed to reflect this by having a city abbreviation followed by the year ... eg “CITY 63”. If any cover already was in Version 2, its old Catalog number is given in brackets after the new one for cross-reference.

A letter home from Edgar Miller to Mrs. Percy Miller, with a "Passed By Censor" hand stamp dated Aug 2 1941. It has "The Tweedsmuir Room" printed under the Boy Scout picture.

During WWII Halifax was a major naval port for the departure of convoys carrying troops and supplies to Europe. The Boy Scouts Association opened and operated *The Tweedsmuir Room* for Scouts and Scouters in any Allied forces, of any rank. Activities included Sunday afternoon tea, movies, dances or simply a quiet place to read or write letters home. In one year they supplied 18,000 letterheads and 5,000 envelopes for the visitors. Many regular callers had their home letters addressed to the Room. In 1944, visitors came from 17 Allied countries, with monthly attendance averaging 800.

The Tweedsmuir Room

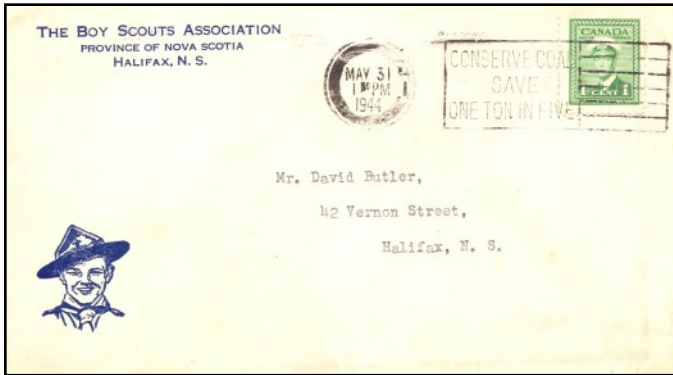

The Tweedsmuir Room was named after Lord Tweedsmuir, Canada's Governor General from 1935 to 1940, and also Canada's Chief Scout for those years. He was more famous however, as the noted author, John Buchan, who wrote such masterpieces as *The Thirty Nine Steps*. He spent two years in South Africa (1901 to 1903) working on the reconstruction after the Boer War. He later wrote another well-known novel *Prester John*, an adventure tale set in Africa. His term as Governor General was due to expire in November 1940, but he died in February 1940 while in surgery for a head injury which was sustained in a fall.

Issued semi-monthly by Dominion Headquarters Boy Scouts Association, Ottawa, Canada. No. 394.

COUNT BERNADOTTE ESTEEMED BY SCOUTS

Mourning the loss of a personal friend in the death of Count Folke Bernadotte of Sweden, United Nations Mediator recently slain in Palestine, Jackson Dodds, C.B.E., of Montreal, Dominion Commissioner of Canada's Boy Scouts, said:

"In the death of Count Bernadotte, organizations like the Red Cross and the Boy Scouts have lost one of their finest administrators. All those who were present at the International Scout Conference in Rosny, France, last year, were impressed by his calm judicial handling of the session at which he presided.

"Count Bernadotte's work on the International Committee of Twelve has been of tremendous help to the Scout Movement which he firmly believed was the greatest in the world for teaching youth the essentials of good citizenship. In his death the world has lost one of its great leaders. To have known and worked with him has been a great privilege."

LEADS 4,000 VANCOUVER SCOUTS

Appointment of Major-General B.M. Hoffmeister, C.B., C.B.E., D.S.O., E.D., as Boy Scout Commissioner for the Greater Vancouver District, has been approved by His Excellency, Viscount Alexander of Tunis, Chief Scout for Canada. The new Commissioner will have 4,000 Scouts under his direction.

FIVE SCOUTS RHODES SCHOLARS

At least five of the 1948 Rhodes Scholars for Canada were former members of the Boy Scouts Association. They are Benson Wilson, of London, Ont., Douglas G. Anglin, Toronto; Richard Gordon of Edmonton; Donald Francis Coates, of Montreal and Jean H.J. Gerin-Lajoie of Montreal.

SCOUTS IN NEW COMMUNITY CENTRE

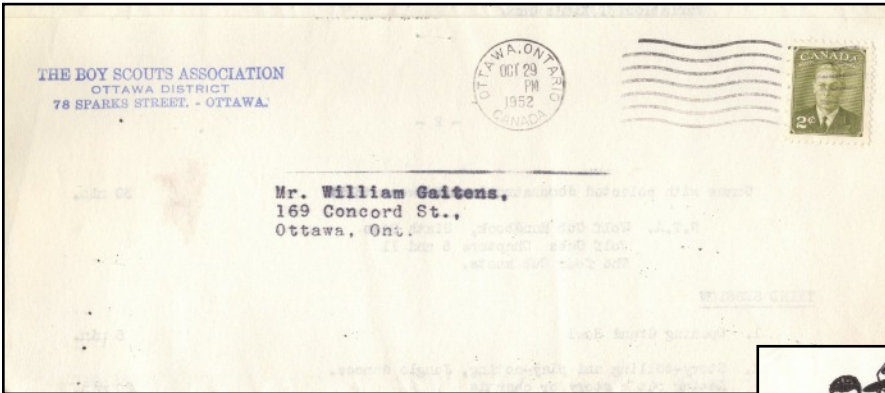

In the new Memorial Community Centre now under construction at Bracebridge, Ont., meeting places for Boy Scouts and Girl Guides have been provided, with their own separate entrances.

SCOUT PHILATELIC GAZETTE

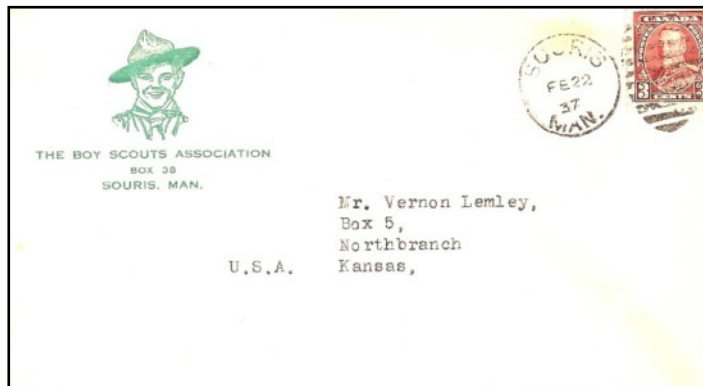

The *Scout Philatelic Gazette* was created around 1953 or 1954 (Issue No. 6 was for Jan.-Mar. 1955), and continued through to at least December 1959.

It was founded by Mr. George LeMesurier from Lennoxville, Quebec, an early SOSSI member (No. 125) and a stamp dealer who specialized in scouting material. He charged for a subscription to the *Scout Philatelic Gazette* issues, which would contain scouting philatelic articles as well as his price list for stamps.

George later moved to Alberta and then to Ontario.

Tamaracouta Scout Reserve was opened as a Scout camp in 1912, and is the oldest continuously operating Scout camp in the world. It was funded by a group of citizens led by Colonel E.A. Whitehead. The name Tamaracouta was chosen due to the large number of tamarack trees located on the property. "Couta" means body of water in Native language, and refers to the lake once named after the owners of the property, the Dawson family. All campsite names and staff positions reflect the heritage of the Hudson's Bay Company.

“Boy Scout Message” Cachets

Boy Scout Message covers used some common “Scout head” images in their cachets as seen below. Black and blue were the most common colors used, but there are examples of many other colors.

Seen on covers from 1927-1958 (+1977)

Seen on covers from 1950-1975

Seen on covers from 1953-1966

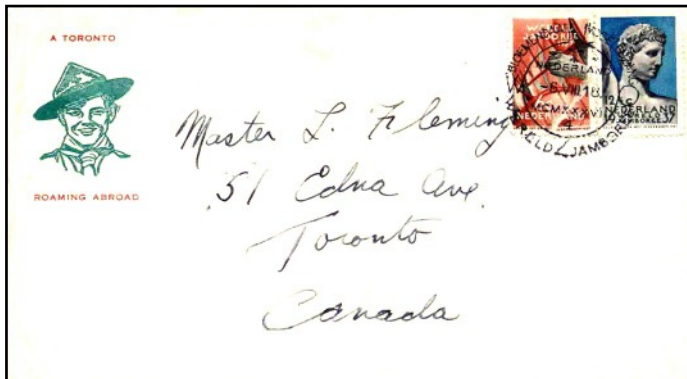

Seen on covers from 1951-1963

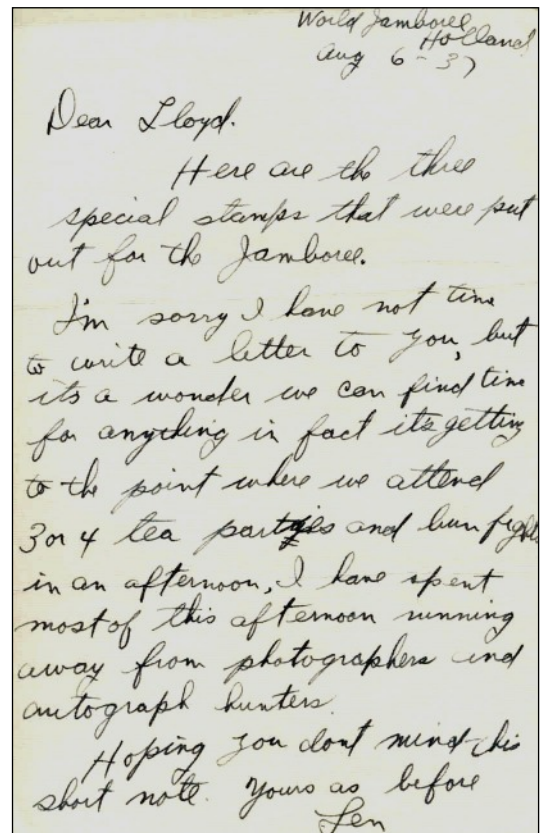

These two types are NOT just mirror images of each other. In both cases the scout hat tilts down on the right side, which is the way it should be worn. Thus the Cub is above the brim of the hat in the first design, and below in the second design.

The Calgary Museum and Archives had initially planned to print 500 of these covers (as noted in small print on the cover). However, a copyright issue developed by planning to use the coloured 19th World Jamboree logo before the opening of the Jamboree. They had already printed 10 prototype covers which were then privately used at the Jamboree (and were not offered for sale). Some of these covers were mailed back to Canada and received a Calgary Council "Received 18 Jan 99" cancel on the back of the cover.

Robert Lewis from Hamilton prepared these two cachets for mailing from the 22nd World Jamboree in Sweden in 2011. The Jamboree Post Office used commemorative cancels on all outgoing mail, and prepaid labels (stamps) were sold at kiosks throughout the camp. However, time ran out for the purchase of the labels and mailing of the covers, and so they were never posted.

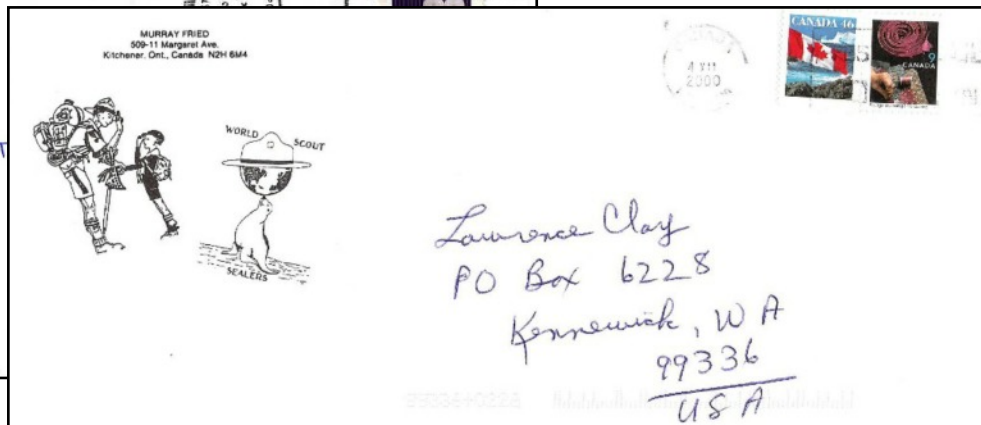

See 2019 pages in “The 2010” section for a number of covers which Maple Leaf Chapter, SOSSI member Dave Bartlet sent inbound from Canada to the 24th World Jamboree in West Virginia, USA.

Murray Fried

Murray Fried was the founder of the Maple Leaf Chapter, SOSSI in April 1962. He was also known around the world for his collection and knowledge of Scout and Guide seals/labels. In April, 1988 he founded the World Scout Sealers Club and issued Bulletins through to 2000.

Murray produced all of the covers for the 11th Kitchener Scout Troop in this Catalog. They all had the familiar picture of a Scout cooking over a campfire. At the top corner, he often listed the number of Queen Scouts from the troop. These include: 46 in 1962, 47 in 1962 & 1964, 52 in 1964 & 1965 and 56 in 1966. These covers are thus varieties.

Glossary

This glossary defines terms and describes printing methods for the particular subject matter used in this Catalog. Precise definitions do not exist for many philatelic terms and many terms are necessarily defined differently for different subjects by different collectors or groups.

Terms:

Add-Ons: An FDC, or other cover, genuinely cancelled on the day of issue of that stamp, but with no cachet, where many years later a cachet of graphics and/or text has been added by hand-painting or by computer generation. These are not included in the Catalog, except once as a noted example.

A.S.D.A.: American Stamp Dealers Association

B-P: Lord Baden-Powell, founder of scouting in 1907.

Cachet: Design and/or text on the stamped and cancelled side of a cover.

CAPEX: Canadian Philatelic Exhibition.

CJ'yy: Canadian Jamboree, with “yy” indicating the year. Eg CJ'77 Canadian Jamboree 1977.

Corner card: A cover with a return address in the top left corner.

Cover: A postally used envelope, postcard, postal card, card, wrapper or program.

Cancel: Cancellation: A postal marking, by hand or machine, intended to show a stamp has been used, that is applied to both stamp and cover.

Commemorative Cover: An official Canada Post product to recognize an event or person or other subject where the issue of a stamp is not justified or possible. Canada Post started issuing them in 1997.

Counterfeit: A cancel and cachet, or just a cancel, created for deception and imitating a genuine article that already exists. Hence, a counterfeit cover.

Decal: A printed transparent thin sheet that, when water activated, slides off a paper base and adheres to most any surface.

Fake Cover: Either a cancel that never existed, or a counterfeit cancel, used in conjunction with a cachet that never existed.

FDC: First Day Cover: A cover bearing a stamp tied by a cancellation showing the date of the official first day of issue of that stamp from the official location(s).

Label: Seal: A paper, or paper-like adhesive article, but not an official postage stamp, that is of a size that can be applied to an envelope.

Glossary

Maximum Card: A postcard with the picture, stamp and cancel all on the same side. All elements are in maximum agreement, with the picture being the same as, or closely related to the stamp, in theme or design.

MOON: Money Order Office Number. A red square cancel applied to a Postal Money Order.

M.P.O.: Military Post Office

Perfin: Stamps which have been perforated with initials representing a business organization as a means of discouraging personal use of company resources.

Picture Postage: An official Canada Post product which allows an individual or group to recognize an event or person or other subject. They design their own stamp by inserting a photo or image in one of a variety of stamp frames valued at the current domestic postal rate and/or the U.S.A. or International rate.

Plast: A name representing Ukrainian scouting.

Postal Card: A government-produced postcard bearing a stamp imprint in the upper-right corner.

Postcard: A card, usually with a picture on one side and a space for a written message, an address and a postage stamp on the other.

“P” Stamp - A “Permanent” stamp, sold at the current domestic rate, but useable for any mail in future years, even though the rate might have changed.

R.P.O.: Railway Post Office. A mobile post office set up in a railway car to sort mail as it travels from one place to another.

R.P.S.C.: Royal Philatelic Society of Canada

Seal: Label: See **Label: Seal:** above.

S.S.C.C.: Scout Stamp Collectors Club (UK) founded in 1957. It was later renamed **S.G.S.C.** For Scout and Guide Stamps Club.

Tied: A cancellation is “Tied” to a stamp when part of the cancellation is applied to the stamp and the rest of the cancellation appears on the envelope or card.

Glossary

Printing Methods:

Engraved: A cachet imprinted from a die in which the recessed, or engraved portion holds the ink. The cachet image is raised and sharp.

Flocked: Coloured, very short cut fibre particles are dusted on the cachet just after it has been printed with an adhesive ink. The resulting image has a raised, velvet-like, or fuzzy texture.

Hectographed: The cachet image is transferred to envelopes from a thick gelatin plate containing dyes. Dyes are first applied to the plate through a stencil and/or by hand drawing. Cachets are light in colour and relatively blurry, not sharp. Only about 25 impressions can be pulled from a plate.

Linoleum Block: Design is carved and lettering routed by hand in a linoleum covered wooden block. The remaining surface is inked and imprinted on the cover. Images are flat, of one colour, and without fine detail.

Mimeographed: A stencil, cut with a typewriter, and/or by hand, is attached to an inked, rotating drum, one envelope being printed with each rotation. Images are dark, usually in black, and sharp.

Photograph: An actual black & white, or sepia, silver gelatin photograph.

Printed: A cachet imprinted directly from a printing plate, cut, or letter press. Ink is transferred from the raised portion of the plate. The image is flat.

Rubber Stamped: A cachet imprinted from a hand-held rubber stamper. Ink is transferred from the raised portion. Quality and appearance of cachets are relatively inconsistent. The image is flat. (More complex rubber stampers are made from a steel cut. The same steel cut can be used to print the image. Some covers can exist in both forms).

Silk Screened: Ink is forced through a stencil held on the back of a taut, framed silk screen. The image is sharp edged, evenly raised and in relatively vibrant colour. After drying, the process is repeated for each additional colour. Close inspection reveals a characteristic fine grid in at least some portions of the image.

Thermographed: Embossed: A special powder, dusted on and adhered to the wet ink of a freshly printed cachet, is baked. In this heating, or thermal process, the powder fuses, gasses and rises. The cachet appears glossy and raised, or three-dimensional. (Note that when the powder step is skipped, the image is the same in colour and detail and it is then simply “printed”. Some covers exist in both forms and are so catalogued).

Typed: Text is imprinted with a typewriter. Punctuation marks are visibly impressed, colour is black and/or red.

The above glossary is a slightly modified version of the one printed in “*Levy’s Boy Scout & Girl Scout Cachet Covers of the United States, Volume I & II 1910-1960, 2nd Edition*” authored by **Jay L. About the Author:

Tony Manson spent many years as a Scout Leader in Germany, in Centralia, Ontario and in Toronto, Ontario. He started collecting Scout philatelic material early in the 1970s when he joined the Maple Leaf Chapter of SOSSI (Scouts On Stamps Society International). He has served as that Chapter’s President for many years. He has also served as the Society’s Vice President and was a Director of SOSSI for 13 years, as well as Chairman of the Board of Directors for seven of those years. He was made an Honorary Director of SOSSI in 1995. In 2018 he was appointed a “SOSSI Distinguished Philatelist”. He has authored many articles for the SOSSI Journal, but considers the **Canadian Boy Scout & Girl Guide Philatelic Catalog** his “pride and joy”.
