**Thanks for coming! See You January 27-29, 1995 in Tucson AZ**

# Welcome from the President

It's a pleasure to welcome you to ARIPEX '94, the 24th annual show sponsored by the Arizona Federation of stamp clubs and accredited by the American Philatelic Society as a World Series of Philately show.

Under the guidance of our chairman, Mike Swartz and his devoted show committee we have assembled a show worthy of your viewing. For this year's event we are happy to host the Scouts on Stamps Society International and the Plate Number Coil Collectors Club. These two fine groups along with the first time attendees in the United Nations Postal Administration and the Federal Duck Stamp Program will help make this year's ARIPEX a show unlike any seen in the Valley for quite some time. But that's not all! Our 50+ dealer bourse and the U.S.P.S. Philatelic Station will have a variety of philatelic material for your collection.

We are also honored to be chosen by the American Bank Note Company as the first 1994 show commemorated with a limited edition souvenir card bearing the likeness of our first Postmaster General, Benjamin Franklin. In our Exhibit Area we bring you 340 total frames comprised of traditional and youth exhibits and a special competition of one frame exhibits.

The Grand Award winner of the traditional frame competition has the opportunity to compete in the Champion of Champions show in Pittsburgh in August. For the first time our Youth Grand Award Winner will receive an authentic miniature Kachina doll. And in our One Frame Competition, the top award, a Reserve Grand, will be truly unique to the Southwest! Don't miss the Saturday night Awards Banquet, tickets can be purchased at the Hospitality Table. Be sure to check our Schedule of Events. Friday night The Arizona Philatelic Rangers are having a dinner, as are the Scouts on Stamps Society International. There is also a Hospitality Room open at the Sheraton Hotel Friday and Saturday nights. The public is welcome. Our many seminars will keep you busy through the days. There is something for everyone!

On behalf of the Arizona Federation of Stamp Clubs, I wish to thank you for attending this show. Should you require any assistance with your plans, please check with our Hospitality Table located in the front lobby entrance. Your comments and suggestions are always welcome. And please do not forget to thank our committee members. They have worked hard to bring you a quality show. We hope you enjoy!

Ray Mariella, President  
Mesa, AZ  
January 1994
