Knoxplex is the annual show of the Knoxville Philatelic Society (KPS), a member society of the American Philatelic Society and the Southeastern Federation of Stamp Clubs. Now in its 29th year, KPS is pleased to bring to East Tennessee a showcase of stamp dealers, exhibits, and activities that promote one of the world's greatest hobbies.

Each spring, *Knoxplex* features a theme that highlights the ways in which postage stamps and their uses have illustrated important historical events.

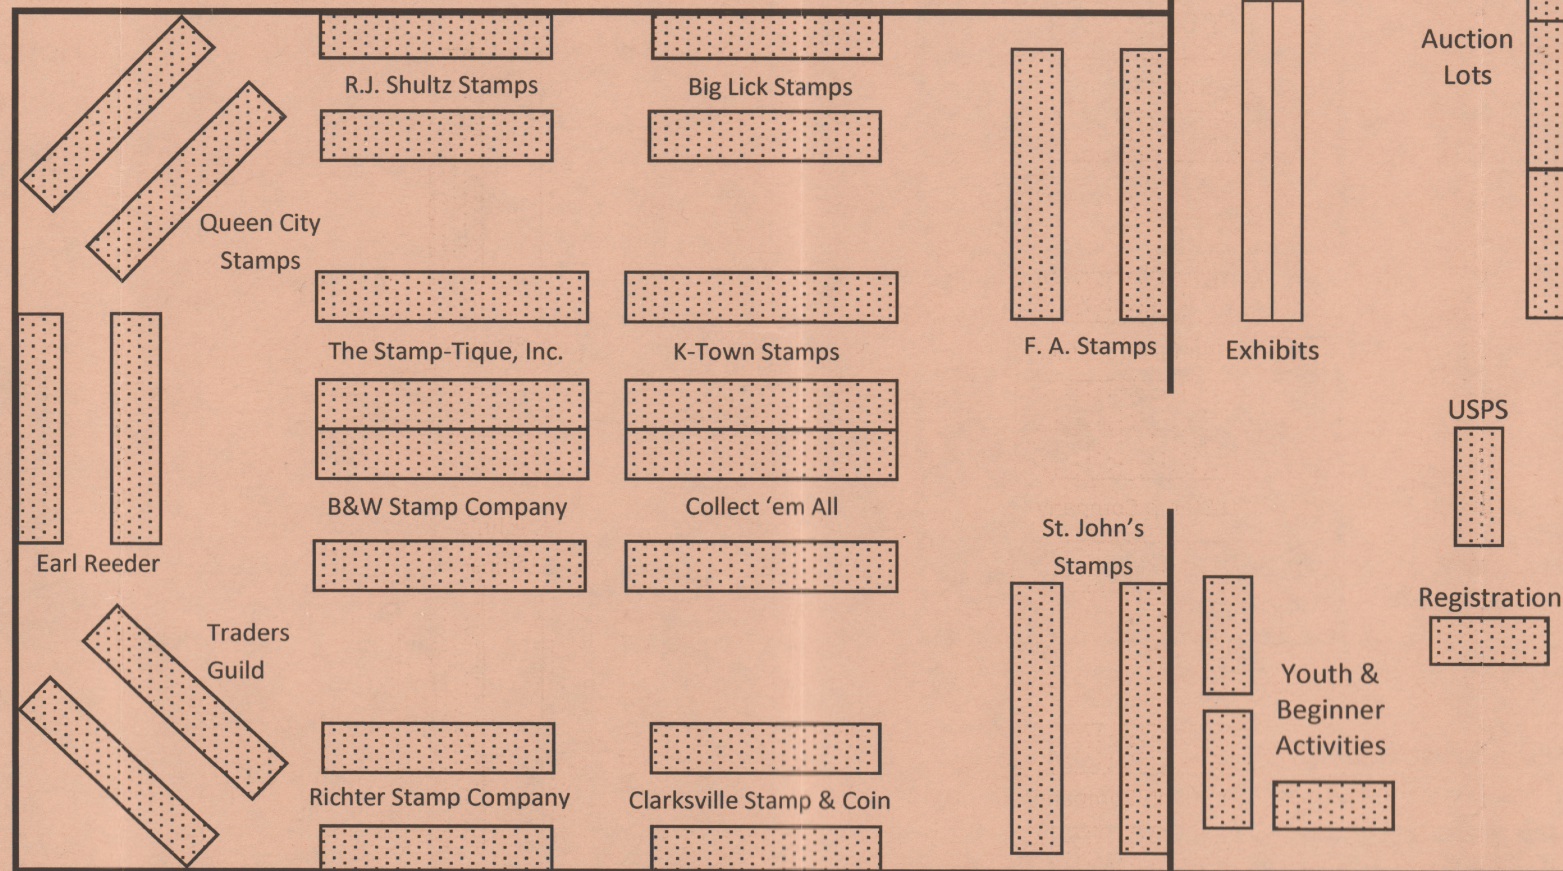

We hope that you will take the time to learn more about KPS and the many benefits it offers to its members. Annual dues are \$15.00, and a special discount for the remainder of 2010 is available at today's show for only \$10.00.

KPS members may attend our monthly meetings, special 5th Tuesday swap meetings, receive our award-winning monthly newsletter in a full color cachet envelope, and sell stamps in our live auctions.

Scouts on Stamps

The international scouting movement had its origins during the Boer War in South Africa, when Colonel Robert Baden-Powell enlisted young military cadets as "scouts" during the siege of the town of Mafeking. One of the emergency stamps issued during the siege (below) shows cadet scout Warner Goodyear on a bicycle, delivering mail among the many small outposts around the town.

After the war, Baden-Powell was inspired in 1907 to create a program in Britain for the development of young men – "the scouting movement."

Three years later, on February 8, 1910, William D. Boyce founded the Boy Scouts of America, which over the last 100 years has helped many young men develop their citizenship and leadership skills.

The first U.S. stamp honoring the Boy Scouts appeared in 1950 and is featured on the cover of this program and on this year's Knoxpex 2010 cachet. A commemorative stamp was issued in 1960 on the 50th anniversary of the Boy Scouts.

Another stamp, shown below, appeared in 1985, and a postal card was issued at the 1967 World Jamboree.
