Mint postal card issued for the Jamboree with first day of issue on 29 July 1975, the first day of the Jamboree

Postal card with first day of Jamboree cancel with Pony Express Chapter #25 of Northern California adding their logo on bottom right of the card.

# NORWAY POSTAL CARDS

The first attempt to have cards canceled in Oslo was met with a flat refusal. Cards could be addressed in Oslo but would be forwarded to Jamboree for cancellation and mailing. Chuck Fisk prevailed upon a clerk to strike 30 cards with the Oslo cancel.

However, Chuck wasn't the only person to obtain an Oslo cancel, Although the cancel is weak, this postal card is canceled with an Oslo cancel also; albeit it is a different cancel.

# NORWAY POSTAL CARDS

On this first day postal card, Chuck Fisk added a rubber-stamped Golden Bear Chapter #9, SOSSI cachet.

Very few postal cards were registered. The additional stamps were necessary to pay the registration fee. This postal card did not go through the mail.

## SWEDISH POST CARD

- Sweden had intended to honor the Jamboree jointly with Norway but a printing strike delayed the issuance of their stamps. They had to be content with distributing large numbers of publicity cards and taking orders at the Jamboree for delivery.

Registered Mail  
The collecting of registered mail items seems to be considerably more popular in Europe than in the U.S. None-the-less, registered mail seemed very meager in comparison to the volume of other mail. It was carried out only at the main Post Office, not in the Sub-camps.

The registered cover, its receipt, and the U.S. notification of arrival.

# RETURN TO SENDER

An interesting version of our hobby is collecting mail that was accidentally or deliberately sent too late for delivery at the Jamboree. A black marker was used on this cover to denote that it was to be returned to sender.

The back of the cover has a bulls-eye cancel showing the cover arrived on August 8, a day after the close of the Jamboree. It also has a rubber-stamped box where reason for return is checked.

# RETURN TO SENDER

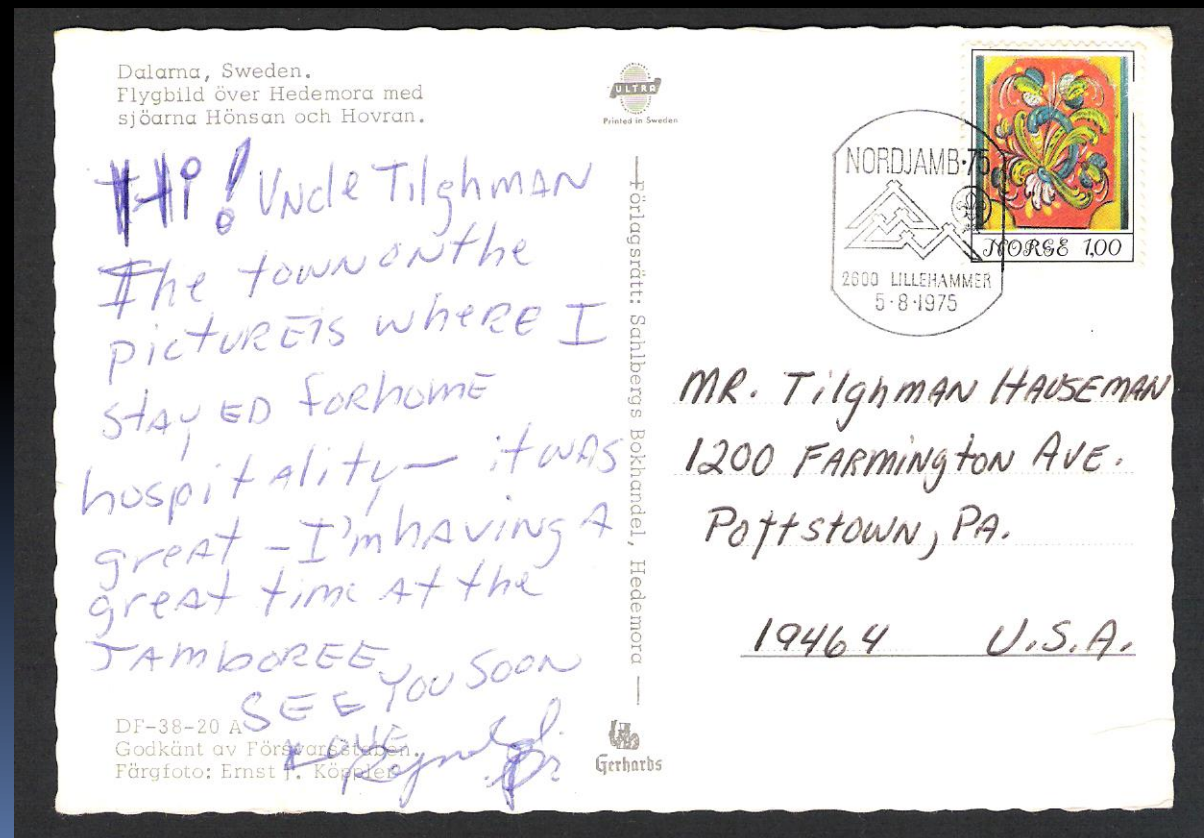

A cover deliberately sent from Oslo after the Jamboree, with sufficient postage for overseas delivery.

The reverse of this cover with an 11 August 1975 Lillehammer back stamp and a pasted on black and white label used to indicate the reason to Return to Sender.

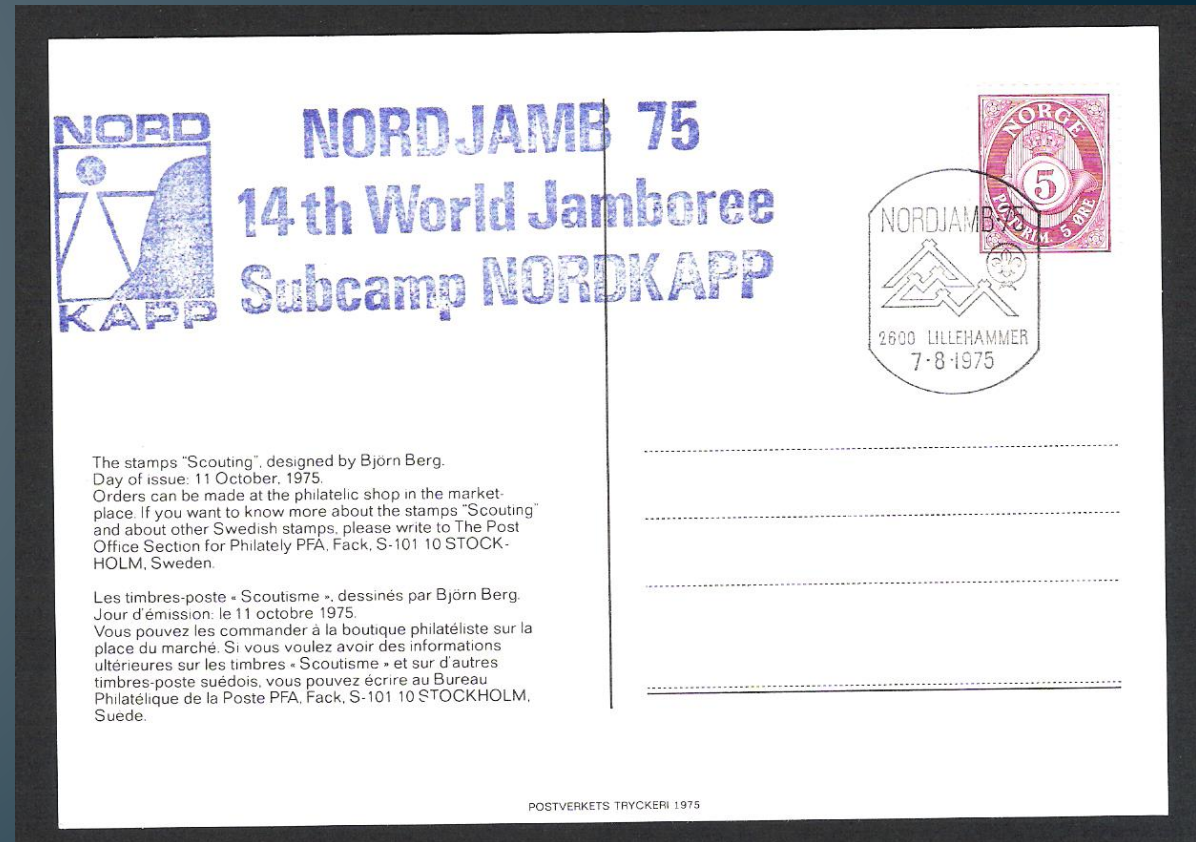

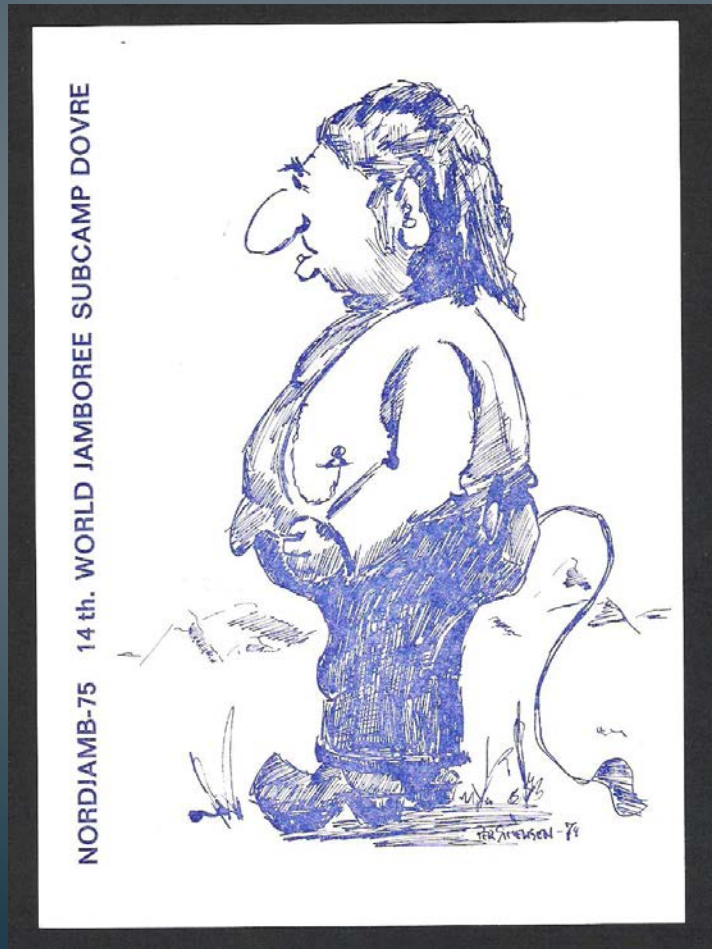

# MAIL FROM THE JAMBOREE

As indicated in this post card, many Scouts went on hospitality tours and stayed with Scout families in Scandinavia. This Scout sent his uncle a post card picturing Dalarna, Sweden, the town he stayed in during his hospitality visit.

# SUB-CAMP ITEMS

Few of the 10 Sub-Camps had anything that could be made into a postal souvenir. An exception was Sub-Camp Dovre, which had a post card depicting its enormous troll who could speak five languages - when the machine was working! Sub-Camps Nordkapp and Teno had rubber stamps available at their trading posts. Shown here is the Nordkapp rubber stamp used on the Swedish post card.

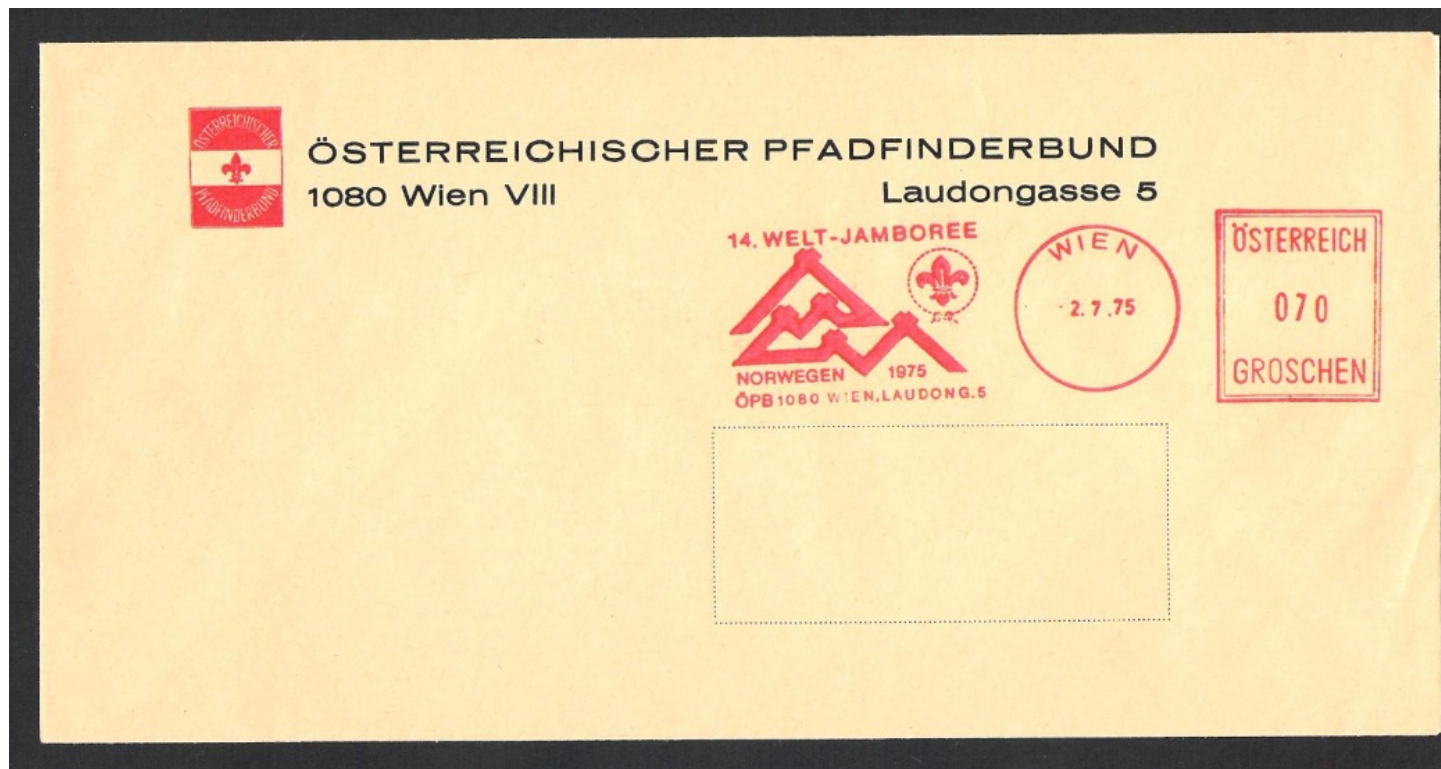

# JAMBOREE METERS

# JAMBOREE METERS

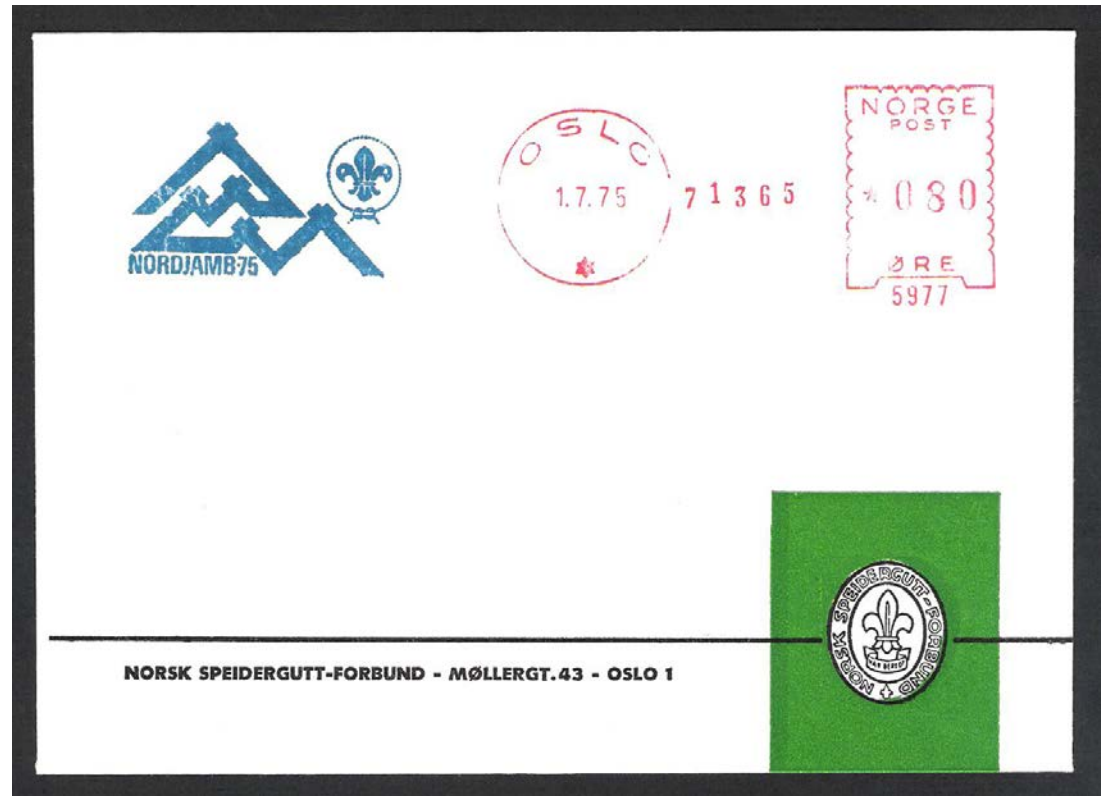

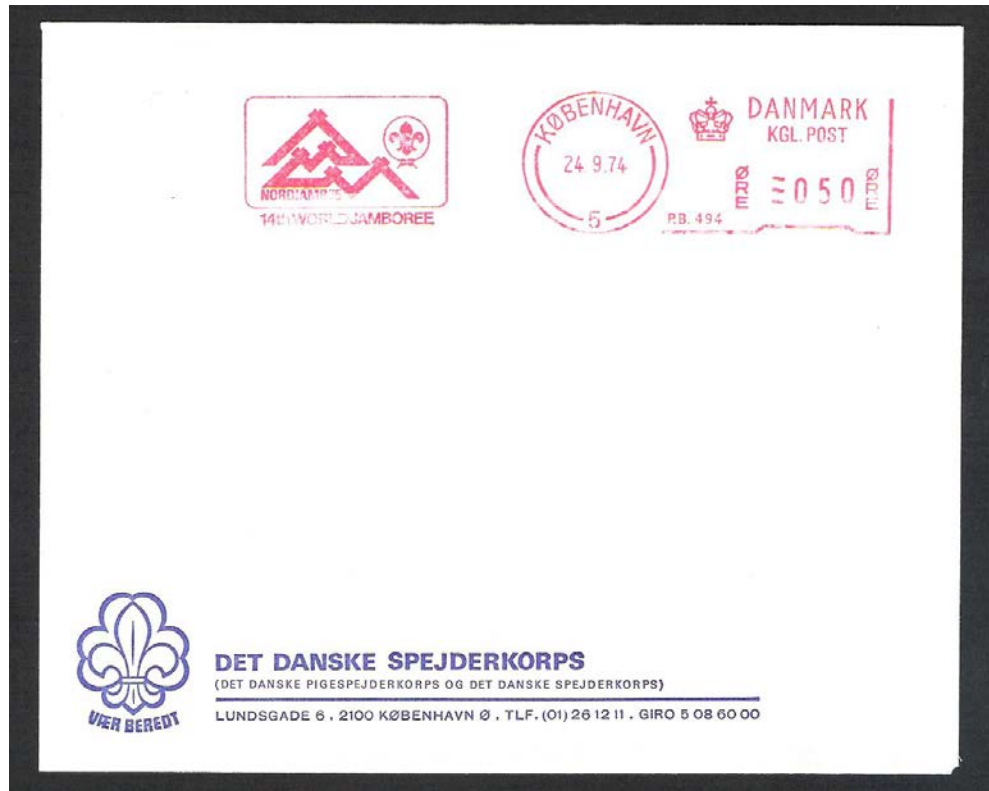

THE SECOND AUSTRIAN SLOGAN METER, DATED 2 JULY 1975, WAS BY OSTERREICHISCHER PFADFINDERBUND. BOTH COVERS WERE SOLD AS MONEY RAISING DEVICES AT THE JAMBOREE.

# JAMBOREE METERS

Denmark issued the earliest known pre-Jamboree slogan meter with this one dated 24 September 1974 by their co-ed Scouting Headquarters.

The Norwegian Scout headquarters issued this pre-Jamboree combination of meter and rubber stamp cancel on 1 July 1975. These also were sold at the Jamboree to raise money.

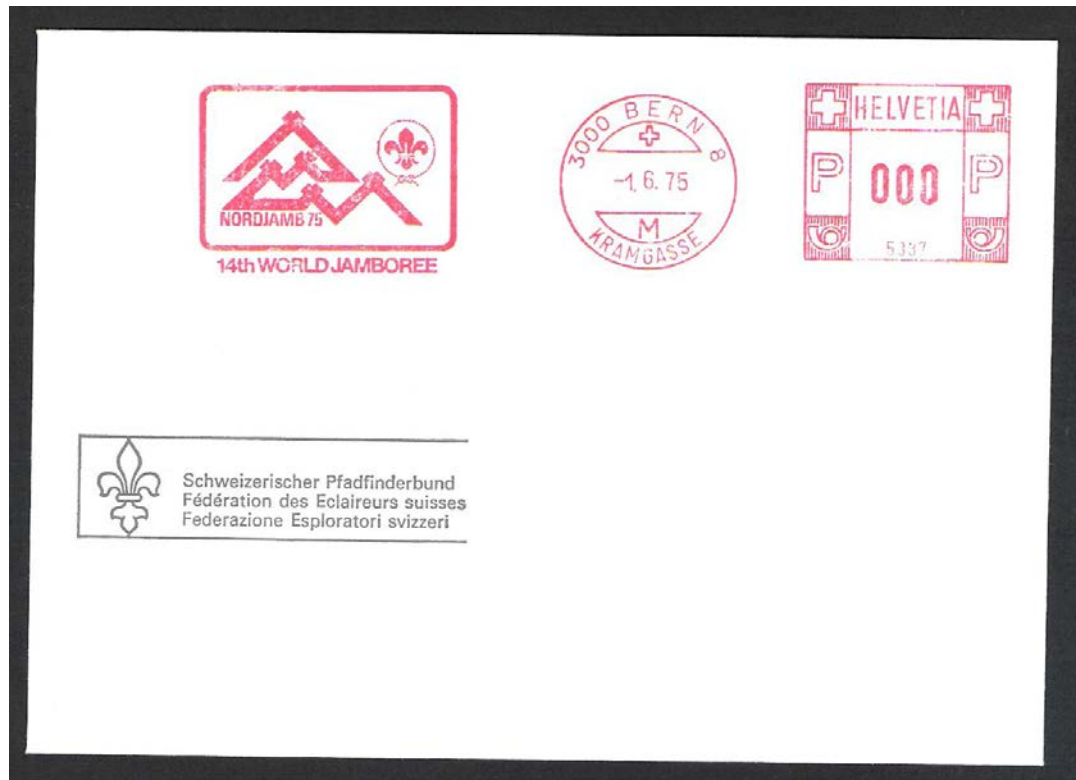

# JAMBOREE METERS

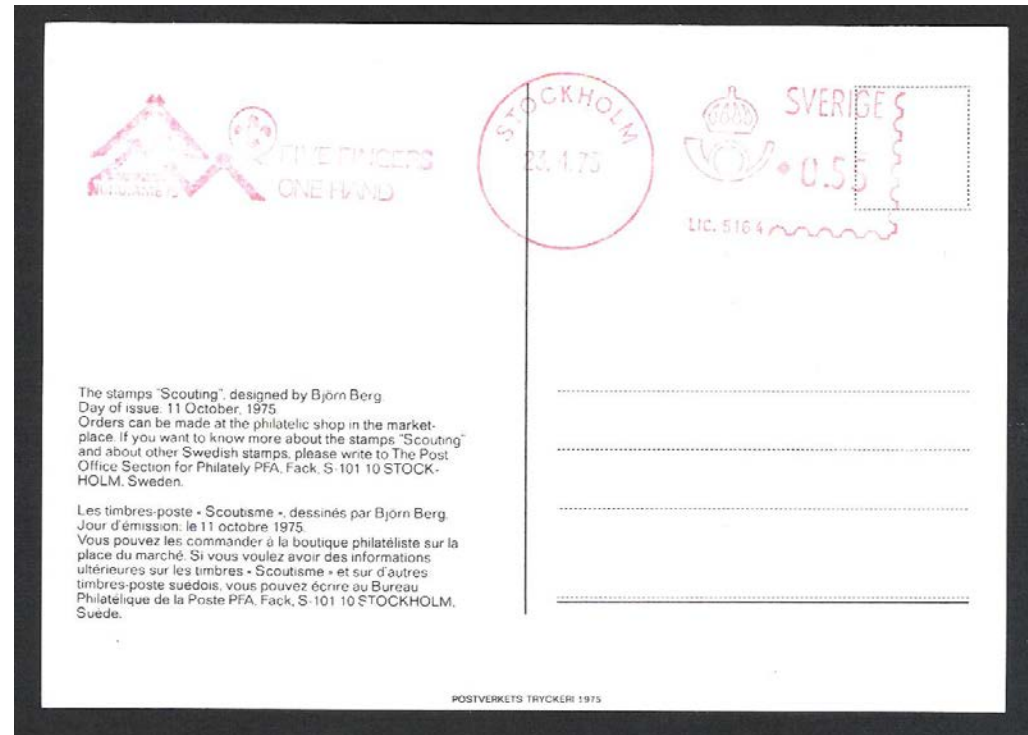

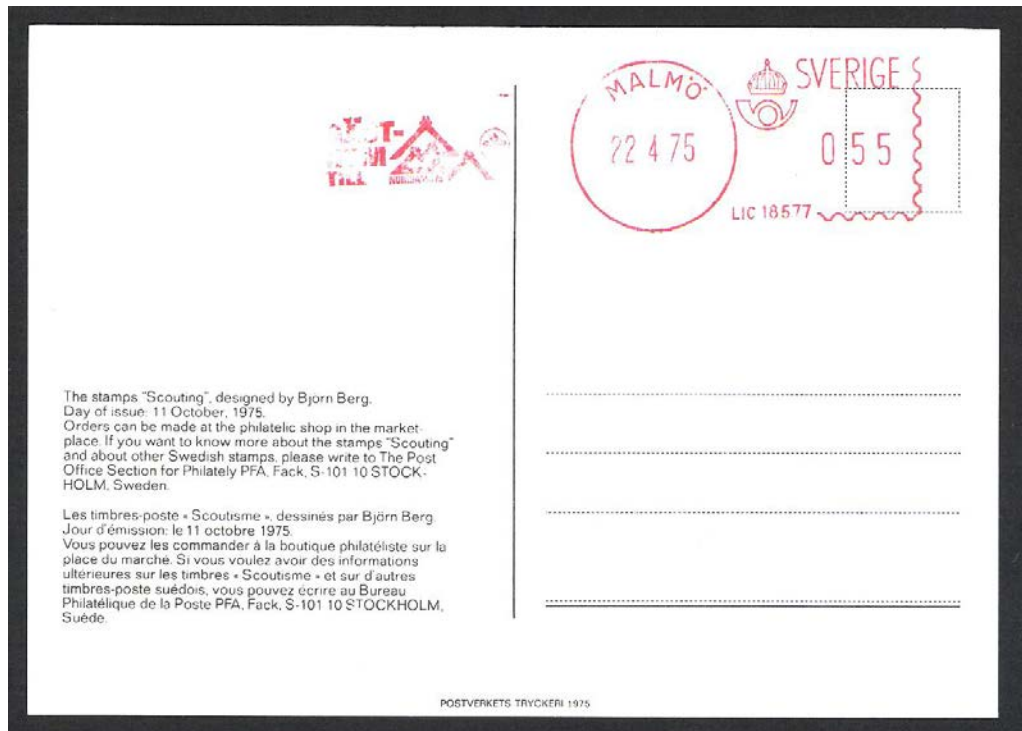

Switzerland issued a pre-Jamboree slogan meter on 1 June 1975 at Bern.

Scotland issued a pre-Jamboree slogan meter dated 9 October 1974 at Edinburgh.

# JAMBOREE METERS
